Within walking distance

IT'S not even too far to hobble, when you're leaving the blank walls of a hospital room for a brief while, on your way to a place of laughter and song and play.

The welcoming doors of a U.S.O. lounge club are just outside the hospital grounds—at more than 500 hospitals.

Here, at the house of smiles, war-shattered veterans escape from hospital routine, from the smell of ether and disinfectants. Here they enjoy their favorite phonograph records, today's newspaper, the checker-board that you gave them when you gave to your local community fund.

These are little things, but they're good medicine! The nearby U.S.O. lounge is theater, club—almost home—to the shocked and hurt boy whose present home is a hospital room. And your dollars keep these lounges going—the dollars you give to your community war fund.

It's time to give again—for the men who gave a lot. Give generally! Make your donation twice as big—the need is more than twice as great.

Your donation to the community war fund supports the U.S.O. and does many other worth-while things besides. It provides maternity care for wives of servicemen, decent, wholesome recreation to keep children off the streets and out of trouble, help for the stricken people of our allies, help for your own.

You help many who can't help themselves, yet you are asked for only one gift. Let your heart decide how big it should be.
