BIG CONCERT OCT. 20

Quite a group of Birmingham members plan to attend the second annual "Jubilee of Quartets" at the Masonic Temple in Detroit the night of Oct. 20. The concert program will include numbers by some of the best known quartets of this section. Several of the leading groups of the nation, including the Chicago Misfits will be there.

Talks Here Tonight

Dr. Henry Hitt Crane of Central Methodist church, Detroit, will be the third lecturer in the First Methodist's school of Life and Religion Series tonight at eight o'clock.

The series has been planned to present speakers on current social and religious themes.

Dr. Crane averages better than one address a day throughout America and has lectured in over one hundred different academic institutions.

Bits of Birmingham

(Continued from Page 1, Part 2)

"Better keep your car locked when parking for shopping or the theater." Is the word from Police Chief John P. Hackett. Chief Hackett reports one car ransacked at a local parking spot and another car stolen and stripped out at the intersection of Lahser and Long Lake roads. The car ransacked in town was owned by Stanley Toy, 131 East Lincoln. Nothing of value was taken. Ownership of the stolen car at Lahser has not been determined.

Seventy miles an hour is a lot of miles to be traveling right in town. At least that's what the traffic officers believe. The department reports to the Wanderer that they picked up two of these fast traveling autoists the past few days, giving tickets to David Morgan and Freeman Bines, both of Detroit. Getting tickets for lesser speeds were James Wallace, Franklin, 50 in a 30 mile zone; Milvian Verlengruber and John D. Cannon, Detroit, each for driving 55 miles an hour in a 45 mile zone.

—o—

Throwing garbage at people's homes is not considered just the right kind of fun, even for small boys. Mrs. A. Duncan, 848 East Lincoln avenue, has complained to the police department of boys throwing garbage at her home.

—o—

Seems as if the dime stores hold back some little item in their stock to spring on the kids each time they have a holiday from school. Then, on the appointed day, every school boy and girl in town blossoms forth with new toys at the same time. Last Thursday and Friday were days off for the gang, due to the annual teachers' institute and sure as heck, by 9 o'clock Thursday morning every kid in town was blowing a multi-tone paraffine whistle that could be chewed as gum when they got tired of blowing, but they did far more tooting than chewing.

—o—

Russell Thomson, son of Mr. and Mrs. M. L. Thomson, of Ferndale street, is five years old and a student in the kindergarten at Adams School. He probably is the youngest letterman ever turned out of the local schools and probably wears his colors more proudly than any previous monogram man. Russell has a new maroon, crew-neck sweater with a small white "B" on the front. The payoff comes in when one looks at the numerals on his left sleeve that indicate that he will graduate in '58. In interviewing Russell the other day the Wanderer asked him where he goes to school. "Down in the basement" he piped back.

—o—

Four boys, 18 or under, have been wounded in early season gun accidents. A Bay City man is dead and two adults have been seriously injured. The Wanderer has been asked to urge Birmingham hunters to be doubly careful this year. "Be careful every minute you are hunting" has been suggested as a slogan for them. The fact that more than half of the early season accident victims have been under 18 is causing grave concern among leaders of sportsmen's groups.

The Golden Text, (Mark 10:45) is: The Son of man came not to be ministered unto, but to minister, and to give his life a ransom for many.
Among the Bible citations is this passage: (John 11:25) "No man hath seen God at any time; the only begotten Son, which is in the bosom of the Father, he hath declared him."
Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following: (449) "Jesus added to something man to God by giving man a truer sense of Love, the divine Principle of Jesus' teachings, and the truer sense of Love redeems man from the law of matter, sin, and death by the law of Spirit,—the law of divine Love."
