# Why Do We Still Have a Community War Fund?

Sure, the war is over . . . but your dollars are urgently needed to carry on this work in Victory!

#### For our own community . . .

V-J Day hasn't stopped the Community Fund from doing its job! War or no war, the work of local health and welfare agencies must go on.

Lots of our servicemen's wives still need prenatal care. Many families rely solely on the help of our visiting nurses. Others depend on our hospital and clinical services. And there's still the problem of keeping our youngsters off the streets . . . and out of trouble

Part of every dollar you give goes to support these vitally needed local activities.

#### For our millions still in service . . .

V-J Day hasn't stopped the work of the U.S.Q.I They've got a bigger job to do than ever.

The boys still in service will tell you that the battles with boredom are tough, too.

And the boys are learning just bow tough they can be. Occupation troops in Germany and the Far East. Troops waiting their chance to get a ship home. Wounded veterans waiting to get well enough to leave hospitals.

That is why U.S.O. Camp Shows have been asked. to increase their entertainment programs to keep up the boys' morale. U.S.O. Clubs in Hawaii, the Philippines, Alaska, and in the States, must still bring a touch of home to men away from home. A large part of every dollar you give to your Community Fund helps the U.S.O. carry on.

#### For our friends and allies

The end of the war hasn't ended the fight against hunger and disease abroad. Relief must continue.

The Chinese the Filipinos, many peoples of Europe who fought on our side, are facing the hard est winter they ve ever known. As President Truman has said, "Unless we do what we can to help, we may lose next winter what we won at such a terrible cost last spring. Desperate men are liable to destroy the structure of their society to find in the wreckage some substitute for hope.

Yes, there can be no real and lasting peace as long as starvation, sickness, and fear stalk the world. Part of every dollar you give buys food, medicines, clothing, for our friends and allies. And by beloing them you help yourselves.

You give only once to your Community War Fund . . . refresenting all the 19 agencies of the National War Fund. So give generously. In Victory your dollars are still needed!
