

Woman's Club In Membership Drive

The Membership Committee of the Birmingham Women's Club met recently with the club's president, Mrs. William O. Merrill, to plan a program to increase membership.

Members are being asked to submit names of women who are interested in the club and for whom it stands, in order that the quota may be filled and the club running under full membership by Christmas time. Mrs. John Rosso, and Mrs. Carl H. Rice are serving on this committee.

The place and time for the club meetings has been changed this year so that mothers, with school age children, may be able to be home when school gets out. Members will meet the first Tuesday of each month at 1:20 o'clock in the Community House.
