The April meeting of the Birmingham Branch of the Woman's National Farm and Garden Association was held at the Community House on Monday.

Members and guests were greeted at the door by Mrs. E. W. Bright, chairman of the hospitality committee, assisted by Mrs. Lett R. Els and Mrs. N. F. Hadley. Each member was handed a hand decorated card with her name, to be used for identification during the luncheon hour which followed.

Mrs. Crockett was responsible for the colorful buffet table, including the arrangement of foxgloves and daffodils. When Mrs. Bracken wiggled in the white top from the many members seated in conversational groups, for pink sweet peas and maiden hair fern, as well as pale pink tulips, had been used to decorate the cart.

Following a short business meeting, the program chairman, Mrs. C. C. Otto, introduced Mrs. K. W. Vance, landscape architect, who gave a talk on "Designing Your Garden." Mrs. Vance outlined several steps in planning your garden. She pointed out that the first and most important one was to establish the exact purpose you wished to accomplish in your garden with relation to you and your family.
