**New Kaiser-Frazer Agency Open Here**

Within 30 to 60 days, a new Kaiser or Frazer automobile is expected for display in Birmingham, according to John Czentnar, general manager of the newly-formed Maple Sales and Service, Inc. This new company, which will be the Kaiser-Frazer agency in Birmingham, has leased the garage and service section facilities at 314 E. Maple, just west of the Consumers Co. office. Remodeling of the old building is already under way to make it into a modern automobile showroom. Mr. Czentnar said. Several pieces of the latest auto-servicing devices have been received, with others on the way.

Maple Sales and Service, Inc. will also be the Birmingham distributor for Reo trucks and American Home Freezer units.

Richard H. Dewey, 219 N. Woodward, is to be associated with the company as a salesman. Lee Pearl, resident but now living in Rochester, will manage the parts department when the remodeling is completed.
