Women Golfers At Birmingham Club Plan Busy Season

Women golfers out at Birmingham Country Club have a rather busy summer schedule mapped out, and Mrs. W. H. Elliott, chairman of the committee says everything points to a most enjoyable summer. There will be quite a variety of events intended to interest a large number of women golfers.

Next on the list for May will be a three-day medal tournament opening Wednesday, May 22, and continuing through May 23 and 24. A spring tournament is booked for Friday, June 7, and almost every week there will be a number of interesting and exciting events booked. The championship tournament will be in August. Each Friday at the club will be Ladies' Day.

Presenting the brief for a balanced budget, Mrs. Duncan said "By forcing government towards a balanced budget, instead of toward continuing and greater borrowing, we are taking steps toward the system under which we may have freedom of enterprise and freedom from an overwhelming tax burden." Commenting on the Millard Lydings "pay-as-you-go" 1946 amendment, Mrs. Duncan stated that its object is to prohibit the president and congress from borrowing instead of taxing for funds.

The afternoon's symposium on county government began with a review by chairman, Mrs. Silbar, of the general characteristics of this second largest Michigan county, with the second largest population, a "beautiful county with 400 rivers and one of the wealthiest and one of the most historically interesting with its background of sheltering Chief Pontiac after the French and Indian wars on an island in Orchard Lake, Michigan, as an industrial county by the state, still it has four-fifths of its land in agriculture," stated Mrs.
