The Golden Text (Luke 10:11): "Behold, the heaven and the heaven of heavens is the Lord's; the earth, the earth also, with all that therein is."
Among the Bible chapters in this passage (Leviticus 4:5, 12): "I am the Lord, and there is none else: there is no God beside me: I singled thee, though thou wast not known: so that I have made thee, and created man upon it: I, even thy God, have stretched out the heavens, and all that host have I commanded."
Correlative passages to be read from the Christian Science Textbook: "Mystic and Health with Key to the Scriptures," (p. 61): "The scientific fact that the sense of the heart is the seat of the Spirit, and so are spiritual, is that from divine Spirit is the seat of that which tells man the sense of health only, and that sense the sense of sin and disease."

Army Patients at Dearborn Look Forward to Regular Visits by Birmingham MOMS

By Ann Snyder
Some radio and movie stars. Kate Smith, Mickey Rooney and the Andrews Sisters are some of the stars who have been there lately.
Will See "Turquoise"
Games are put on for them by various organizations. Last week a very good wrestling match was given by the Jewish War Veterans.
Quite a few variety shows have been put on by high schools and professionals, and the U. S. O. also furnishes entertainment for them.
Above all they can't forget the wonderful shows and entertainment donated by Mr. and Mrs. Oliver. Two perfect hosts of the VFW.
Some Baldwin students are taking a few of the articles, but most of the variety show to the hospital for the boys January 2. "The House of Blue Light" and Jerry Neff will be two of the ten acts to be taken.
Get Very Lonesome
The patients get very lonesome; so many of them are so far away from their homes and relatives, that they have sent cards in and talk to them and a little interested in a big help.
Evelyn Clements of Birmingham couldn't say enough about what the MOMS do for the vets. He said the minute the MOMS walk in the ward the atmosphere changes, and it's wonderful the way they go through the wards and pep the boys up.
"That's one thing," he said, "the MOMS sure didn't forget us, and we all want to express our sincere thanks for the wonderful things they have done for us."
The vets have quite a lot of recreation to pass some of their time and help them use their arms and hands. They make many beautiful scarfs on handkerchiefs and crochets babushkas, b.e.a.n.i.e.s, and other articles.
D. Weaving, Metal Work
The hospital has a nice weaving and metal department where the boys make rug scarves, bracelets, and other metal things. They have also knitted some lovely sweaters, and have done a little work with leather.
The Metropolitan MOMs have also done splendid work to say nothing of the VFW, the Gold Star Mothers, the Navy Mothers, the Blue Star Mothers and the American Legion.
"For Christmas, just give us someone to talk to and we'll be very contented"—that's what all the vets say when asked what they would like.
The MOMS didn't forget.
