NOW, FROM A FAMOUS MAKER, Reproductions OF ORIGINAL 12.95 STERLING SILVER IN GOLD-COLORED METAL 2.00 Haven't you always yearned for a costly sterling silver compact, but never quite felt your budget could stand it? Well, now you can have the same lovely designs and graceful shape of those higher-priced vanities, for these handsome reproductions are made from the very same dies and finished with the same care. All are the popular large flap-jack size, of goldcolored metal in a variety of designs with beautifully enameled covers. And they're priced so inexpensively you'll probably want several to use as gifts, later. OPEN EVERY EVENING UNTIL CHRISTMAS
