Take a Deep Breath---

A new scientific wrinkle on the gridiren this fall is this oxygen apparatus, shown during experiments at Georgetown U. Washington. It is used to restore normal breathing after hard Dlay or a long run. The oxygen wagon can be whiseled out on the field with breathing massis for II players. Test show that 30 seconds of pure oxygen is enough to restore breathing to almost pormal. Tourned the property of the propert

A Leader In Quality

Good printing doesn't just "happen." It is planned. First comes typography. We set our own type and have a good "touch." Compare our work for proof.

Then comes presswork. Here is where even good typography meets a good or bad fate. Our makeready and preliminary care results in excellent reproduction. The Eccentric has only one standard on presswork-QUALITY. May we serve you?
