OUR DEMOCRACY — by Ray

Where Opportunity Beckons

IN A DEMOCRACY, OPPORTUNITIES FOR INDIVIDUAL PROGRESS ARE INHERENT. LARGE BUSINESSES OFTEN GROW FROM A SMALL STORE — GREAT INDUSTRIES FROM A SINGLE IDEA. THERE ARE RISKS, BUT THERE IS ALSO PROMISE OF REWARD.

LECTURE ON FAR NORTH
Sidney R. Montague, former member of the Royal Canadian Mounted Police, and now one of the country's vivid and exciting speakers on the Alaskan frontiers, will lecture at Detroit Town Hall in the Fisher Theatre Wednesday morning, Feb. 27, at 11 o'clock. During his service with the police force he lived among the North-eastern Eskimos on the rim of Barfiliand, a short distance from the North Pole.

Scholarship Tests To Be Held Feb. 15

Ten students of Baldwin took the competitive examinations for the Pepsi Cola scholarship Friday, Feb. 15, at 9 o'clock in the new cafeteria.

The scholarship pays full tuition for four years to any university in the United States plus \$25 per month living expenses in addition to traveling expenses to and from the university.

The college entrance examination board is to correct the tests and will announce the winners April 2. Only two will be selected from each state.

Last year Baldwin's Polly Hanson won the coveted award.

Students who took this examination were Mary Corin, Frances Mead, Dorothy Davis, Ann Wierum, Dick Robertson, Rex McKeen, Don Davies, Spencer DeVanis, John Brodhan and Jan Coil.

Applications for the University Alumni List scholarships are with the Alumni committee chairman of Birmingham, Mrs. Hugh A. White, Charing Cross road.

Reserves Upset Port Huron 28-20

By BILL BONES

The Maple Reserve squad racked up its tenth victory of the season by beating Mt. Clemens 28-20 on the Bathers' home court.

Using two separate and complete teams, the reserves were able to pull slowly away from their opponents. The first quarter brought a quick exchange of points with the Maples barely holding the lead as the stanza ended 9 to 8.

Birmingham's defense tightened in the second quarter and the Maples began to increase their lead. Jack Filkins led the attack as his long shots began to connect, the Maples strengthening their lead by making it 15 to 12 when the horn sounded for the half.

Constantly keeping Mt. Clemens at bay, Birmingham put on the steam in the second half. Although not able to widen the margin in the third quarter, the Maples had an eight-point scoring spree in the final period to put the game on ice. The Bathers were able to score only three points in the final frame.

Filkins topped Birmingham's scoring with nine points. Mt. Clemens' scoring was pretty well spread out with Don Black getting five markers.

MICHIGAN BELL TELEPHONE COMPANY

OUR \$120,000,000 POST-WAR PROGRAM MEANS JOBS FOR THOUSANDS

Our aim is to provide the kind of telephone service you want.

We have no choice but to grow as the demand for our service grows. That's our public responsibility—and we like it that way.

Right now, the demand for telephone service is at an all-time high. To meet it and prepare for future growth, we have a 5-year post-war program under way that will cost \$120,000,000.

Money to finance that program must come from thrifty people who are willing to invest in Bell System securities. If our prospects for future earnings are less attractive than those of other companies, folks will invest their money elsewhere.

In recent years, the rate of Telephone Company earnings has been declining until at the end of the war it was far below the average of other industries.

So it boils down to this:

Too long a continuation of a rate of earnings substantially below that of other industries would weaken our ability to raise the money required to meet expected telephone needs.

The future quality of your telephone service depends on telephone rates that will produce earnings attractive to investors.

We believe our customers want good telephone service, even if it costs a trifle more than inferior service.

Technical improvements in the past brought rates for good service down and have kept them down in the face of rising costs. As rapidly as future improvements will permit, we expect and want our rates to come down still further. For Michigan Bell wants rates no higher—and no lower—than necessary to insure good telephone service.
