None of us minds that Congress voted funds to crack down on black market income tax evaders. Not only has a lot of meat gone through the black market, but that's where the gravy is, too.

That housing bill amendment to put ceilings on homes sound sensible. It gets pretty rainy in some parts of the country.

Like the experts have been telling us, the Russians are determined to get the atom bomb secret. Then they can get off, but make us like it.

WORD is that Sweden wants to become a member of the United Nations. Well, what that Assam's in need of, one brother from the first meeting, is a good neutral.

The Army is continuing radar experiments to get reactions from the moon. The rest of us get ours in just as usual.
