Local Team Leads League In Royal-Oak

By Jack Pierce With four games remaining to play before the playoffs, Birmingham holds top position in the Royal Oak Twilight Softball League, having compiled a record of 12 wins against two losses.

Our local Oak Construction nine has fought hard for its fine record, many games turning into victory after last ditch stands.

The pitching burden has been handled very ably by Ray McBride and Everett Hemmery. Behind the plate, Scotty Gowans makes an excellent battery mate.

At first base, Larry Rondou covers his station like a veteran. Rounding out the infield, Bob Andrews, Don Pourcave, Dick Green

and Bob Thompson combine efforts for sparkling plays. Good Outfielders. The outer garden is protected by three first-grade speedsters: Don Pourcave, Cliff McBride, and Art Rondou. Last week George Forester was "signed," to bolster the team's strength for the coming playoffs in August. George is rated one of the finest catchers in this section.

Three Games Next Week

Next week's games will be played Monday at the Royal Oak High School diamond, the local nine takes on fourplace Outcasts. On Wednesday, it will be a rubber game with second-place Berkley Greymary. This promises to be a tough battle with first place bringing in the balance. Thursday brings Oak Construction against Wayss Oakland Bank. Wednesday and Thursday's tills are slated for Oak Ridge School, located at 13 1/2 and Rochester roads. All games start at 8:00 P.M. Birmingham now leads the twilight league by two full games.
