**Redeemer Lutheran Church
Scene Of Evening Ceremony**

At a candlelight service at 8:00 Saturday evening at the Redeemer Lutheran church, Doris Irene McKee, daughter of Mr. and Mrs. Robert A. McKee of Beschwood road, became the bride of Ernst Martin Richard Otto, 1836, son of Mr. and Mrs. Karl R. Otto of Sheridan drive.

The double-ring ceremony was read by the Rev. Theodore Wugazer, Jr., before an altar banked with white gladioli and delphinium.

The bride was escorted up the aisle by her father. She wore a gown of white marquisette fashioned with a satin bodice and a sheer yoke of marquisette to the high neckline. Long tight sleeves extended to points over the wrists and her full skirt fell into a medium train. She wore a pearl necklace which was a gift of the groom.

Her fingertip veil of illusion was held in place by a horseshoe halo adorned with tiny orange blossoms and she carried a colonial bouquet of white roses, stephanotis, and gardenias.

Ethel Pravel, as maid-of-honor, made simply with a low, round neckline. Her headress was fashioned after the bride's and was adorned with red forget-me-nots.

The bridesmaids, Rae Pettig of Richmond, Va., Verna Weiss and Lorne Heinlein of Saginaw, and Irene Small of Birmingham, wore dresses of white marquisette fashioned with white marquisette fastenings.

A reception in the church parlors followed the ceremony. Mrs. Wiechel received her guests wearing a lime-green print gown with pink roses. Mrs. Otto chose a black print gown with white accessories and a corsage of gardenias and fuchsias roses.

When Mr. and Mrs. Otto left for their wedding trip to northern Ontario, Mrs. Otto was wearing a black print gown with white accessories and a corsage of gardenias.

The bride, given in marriage by her father, wore a gown of white marquisette fashioned with a basque waist, long-sleeved sleeves and a very full skirt which fell into a long train. A Juliet cap held her fingertip veil of illusion in place and she carried a bouquet of white gardenias and stephanotis.

The bridesmaids, June Wheaton of Franklin Village, sister of the groom; Gloria Ballantyne and Laurie Orr of Toledo; and Roberta Hornby of Clinton, Mich., wore gowns of white marquisette with embroidered marquisette basque waists and short peplums. They also wore white marquisette hats and they carried bouquets of pink roses and pink delphinium.

Karen Ryder, small niece of the bride, as flower girl was dressed in white dimity trimmed in pink and carried a nosegay of pink roses. Donald Hallas of Detroit was best man and ushers were Clark Ryder of Rosford, John Smith of Detroit, Dr. Robert Aldrich of Adrian, and Ray Cannon of Toledo.

A reception was held at the Wiechel home after which the newlyweds left on a Northern Michigan honeymoon. For travel they wore white linen with a pink and blue floral hat and a corsage of pink roses.

The bride, given in marriage by her father, wore a gown of white marquisette fashioned with a basque waist, long-sleeved sleeves and a very full skirt which fell into a long train. A Juliet cap held her fingertip veil of illusion in place and she carried a bouquet of white gardenias and stephanotis.

156,000 Telephones Installed in Michigan in 6 Months...

But 100,000 families are still waiting

Severe shortages of lead, copper and other materials which go into telephone equipment have upset our time-table for clearing up waiting lists.

Even so, during the first half of this year, Michigan Bell

- Installed new telephones at the fastest rate in its history—an average of 26,000 per month.
- But also received an average of 27,000 applications per month.
- Added 140,000 miles of wire and installed enough additional central office switching equipment to serve 50,000 new customers.
- Cleared waiting lists in 27 Michigan Bell exchanges.

As the second half of 1946 gets under way, there are still 100,000 families waiting for telephones. Of these, 49,000 have placed their orders since the first of the year.

We still have to expand our facilities in 200 exchanges to give service to everyone who has ordered a telephone.

We now hope that most of the orders for service received before January 1, 1946, can be filled by the end of the year. In some areas, of course, we expect to complete many orders received this year, but it may be late 1947 before we can return to a "ready-to-serve" basis everywhere.

Meanwhile, we are loading our present equipment far beyond its normal capacity, to shorten the wait for as many folks as possible. This may affect the quality of service for the time being. But normal service will return as we install the needed lines and equipment.

Waiting applicants can be certain that we are just as anxious as they are to see their orders filled at the earliest possible date.

* Long Distance lines and switchboards serving Michigan resort areas are extra busy this summer. On calls to and from those areas, you'll get better service by avoiding the rush hours—10 A.M. to noon and 7 to 9 P.M. Keeping calls brief will help too.
