Local Boy Going To Higgins Lake For Conservation Study

Jim Devitt, 1447 Chapin, will be one of the 40 Oakland County boys, between 14 and 17 years old, leaving Monday, July 29, for a week's training-outing at the State's Conservation Department Training School at Higgins Lake.

This delegation of Junior Oakland County Sportsmen's Club members are being sent—all expenses paid—by the Senior OCSC, and is the second such trek sponsored by the OCSC.

The group, selected because of their ability as leaders among boys of their age in their respective communities, will learn and pass along information a sportsman should know about game and fish, hunting and fishing, use of the rifle and flyrod, archery, woodcraft, Forest fires, canoe safety, woods lore and etiquette. Swimming, softball, horseshoe pitching and other sports, as well as learning how to keep a camp shipshape by doing their own chores, will balance the week's program.

Dr. Katherine Greene Speaks at Conference

Dr. Katherine B. Greene, director of education at Sherwood School, Bloomfield Hills, was a guest speaker Tuesday at the annual Louhelen Baha'i school conference, being held July 22-28 at Davison, Mich.

She addressed the group on the topic, "Training By Means of Discipline."

Canadians Victors In Invitational Golf Tournament

The slow, methodical style of play employed by the Canadian golf team of Frank Zack and Lyle Gray proved efficient enough to win first honors in the third annual Birmingham Invitational Golf tournament, at Birmingham Country Club, last week end.

The Canadian duo won in the finals from Harold Stewart, of the Birmingham club, and Harold Nonamaker, of Lakepointe, three and two.

A gallery of 300 persons watched the final round of the tournament in which Zack and Gray consulted each other before every shot and surveyed the terrain on the fairways and greens until their opponents began missing easy shots and blowing short putts.

The careful play paid off for the winners on the fourth hole where Gray dropped a 35-foot putt and again on number 12 when Zack holed a fifteen-footer. Both enabled the teams to win the holes with birdies.

"Truth" will be the subject of the Lesson-Sermon in all Christian Science Churches throughout the world on Sunday, July 28.
The Golden Text (Psalms 31:5) is: "Into thine hand I commit my spirit: thou hast redeemed me, O Lord God of truth."
Among the Bible citations is this passage (Psalms 37:37): "Mark the perfect man, and behold the upright: for the end of that man is peace."
Corrolative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 211): "If Truth is overcoming error in your daily walk and conversation, you can finally say, 'I have fought a good fight . . . I have kept the faith,' because you are a better man."

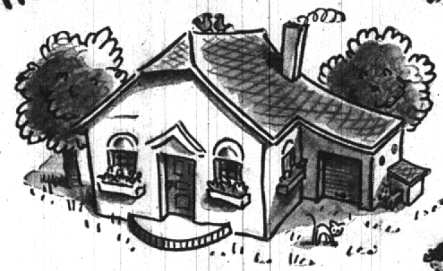
The House That Jack Built

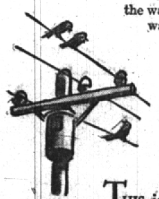


This is the house that Jack built.

This is the wife that keeps house in the house that Jack built.

This is the washer that does the wash that helps the wife keep house in the house that Jack built.

This is the iron that irons the wash the washer washed, that helps the wife keep house in the house that Jack built.



This is the wire that carries the power that heats the iron, and turns the washer that does the wash, that helps the wife keep house in the house that Jack built.

* * *

THIS is the story of better living—of electric living—in Jack's house. The tale could go on endlessly. For electricity is a servant of many talents, of which washing and ironing are but two.

The electric power that helps Jack's wife is always ready, dependable, available in any quantity at any time. And Jack doesn't need much jack to pay the bill.

* * *

This is the company that strings the wires and makes the power that gives the Jacks—and countless families like them—all the comforts and convenience of electric living.

Enjoy "THE SUMMER ELECTRIC HOUR" with Anne Jamison, Bob Shanly, The Sportsmen, and Robert Armbruster's Orchestra. Every Sunday afternoon, 3:30, Station WJR.
