## THE ANSWER SHOP

ARE you "stymied" on what to give? Don't be! Don't fret about it for another instant! Instead, come straight to LaBelles. For when you arrive here you have found the answer shop: the shop where the right gift is always found.

This has been the experience of countless persons who have discovered here the end of their searches for gifts. And so satisfied have they been that now it is not at all unusual for many, when pressed for time, to just phone and tell us their gift needs. When they do, we take care of everything and do so with the kind of personal attention to correctness and detail which is always essential.
