THE TALE OF A COW

Did you know that Michigan has 1,022,000 cows, producing 5.7 billion pounds of milk in 1945?

And that the revenue from the sale of this milk and dairy animals was well over \$200,000,000?

That the investment of modern equipment in Michigan dairy plants is for your protection and service?

The dairy cow provides a steady income for 80% of Michigan's 179,000 farms . . . jobs for 1 out of 15 people . . . and a health-giving vital food for everyone. Michigan cow — take a bow!
