Bits of Birmingham

Birmingham Rotarians had a double dose of Southern hospitality last week Monday when in addition to the Rev. W. Glen Harris, the Texan, they had to listen to praises for the south and mid-south from Bill Lott, secretary of the Wevoka, Oklahoma, Rotary Club. And Bill ran into an old friend in the person of Mark Har- din, and the two really did enjoy the hour and a half together. They paid little attention to the delicious luncheon but did ask and receive information about folks and places both knew. Bill said it was one of the most enjoyable Rotary club meetings he had attended in a long time. "You northern Rotarians sort of run us southerners a close race for hospitality," he declared. Har- din told this Wanderer he spent several years in the Wevoka area, teaching school and doing school administrative work.

The big dirigible, in Detroit for the Automobile Golden Jubilee, paid a visit to Birmingham a couple of times and gave some local folks their first sight of this kind of airship. The machine was flown all around this area and caused quite a little excitement. This Wanderer was nearly frightened out of his wits when he heard what he supposed was a powerful plane just overhead. He glanced up in time to see the dirigible poking its nose into his line of vision.

Many Birmingham husbands and fathers were sort of fooled a bit on Memorial Day. Many said they had been looking ahead to a bit of fishing, or golfing, or something else. But instead they found themselves taking down those storm windows and putting up the screen. Some had to cut the lawn, while others were seen helping the wife and family put in a bit of garden. This Wanderer

Red Cross Asks Local Women Aid Knitting Program

Mrs. Claire Gaultier, chairman of knitting of the Oakland County Chapter, American Red Cross, announces that more knitters are needed to complete quotas which have been assigned to the local chapter. Children's sweaters numbering 640 have been allotted to this chapter and women are urged to assist with these garments which are needed for relief of children in foreign countries.

TOP SOIL - TOP SOIL

If you want real good farm top soil, call the Stirling Farm. It is one of the best soils money can buy.

SHINGLE STAIN SERVICE

WOOD SHINGLES DO NOT WEAR OUT—THEY ROT OUT

Your roof may be saved and beautified by a thorough treatment of

CREOSOTE SHINGLE STAIN OIL

We apply SHINGLE-STAIN by pressure brush. The pressure forces the protecting STAIN between the slots of the shingles and under the edges which stops splitting and curling and dry rot. The brush controls the spray of the stain and scrubs it into the surface of the shingles. This method of application was developed by us and assures thorough coverage and penetration.

Unprotected wood shingles require replacement long before they have given enough service to justify their original cost. Proper maintenance now will prolong the life of your roof indefinitely.

We shall be glad to make a thorough examination of your roof at your request. Phone us for a list of satisfied Birmingham customers.
