## Baldwin To Meet Marysville First In Regional Play

By BILL BONAS

Birmingham's district championship basketball squad drew Marysville in the first round of the regional play last night in Ferndale, the winner of this game to play Penton Saturday night for the Regional Championship.

Marysville competes in the St. Clair County League playing such teams as Algonac, Marine City and St. Clair. The Dream City boys placed third in this league, winning eight and losing five. They

defeated Romeo 41-28 and St. Stevens of Port Huron 27-22 for the district title at Romeo. They appear to be well balanced with no outstanding performers. They are led by captain and forward Charles Schofield.

Penton boasts a dangerous record, their season tally being 17 wins and no losses. The Tigers advanced to the state quarter finals last year and they still retain three players from last year's campaign.

Conquering such teams as Grand Blanc, Mt. Morris, Flint Kearsley, and Flint Bendle, this squad easily took the title in the Genesee County Class B League. Victories over Flint St. Michaels, Grand Blanc, and Davidson netted them the district championship in Davidson.

## Chemistry Students Pay Visit To Plant Of Lacquer Makers

An exceptional field trip was the experience of twelve senior chemistry students and their instructor, E. A. Hubbard, last Saturday, when the group visited the Simsbury-Mason company, manufacturers of automotive lacquers and enamels. The trip was made possible through the efforts of Frederick West, general manager of the plant.

Students were given the opportunity of composing essays of 1000-1500 words on the use of chemistry in the making of lacquers and enamels, the best paper, as judged by E. A. Hubbard, instructor, to receive a series of volumes in "Protective and Decorative Coatings" by Mattiello and to win another volume for the Baldwin Library. These sets will be the gifts of the company.

Department heads remained at the plant all afternoon to make the trip profitable and luncheon was served by the company.

Students who attended were Fritz Wedge, George Campbell, Hugh Morrow, Mary Anne Kraft, Bruce Gilmerne, Bob Brungraber, Clark Rogers, Bob Morgan, Jim Wall, Roland Watson, and Ernie Anderson.

## Sports Showup

By BUD GASSER

Scoring a 41-35 triumph over Ferndale earned Hazel Park the runner-up spot in the Eastern Michigan League final standings. A superb brand of basketball was displayed and the final standings do not show the real closeness of the race, as many of the contests were decided by a very few points. The final standings are:

Port Huron	8	W
Hazel Park	5	L
Birmingham	4	L
Ferndale	3	L
St. Clemens	1	L

Playing against the stiffest competition, Birmingham followers have seen some of the top basketball players of the state. This report would like to pick an all-opponents team:

- First Team  
Alexander (Port Huron) F.  
Hahn (Ferndale) F.  
Zuehlin (Royal Oak) G.  
Boikha (Hazel Park) G.  
Hasley (Port Huron) G.
- Second Team  
Krause (Royal Oak) F.  
Thomas (Port Huron) F.  
Shaw (Mt. Clemens) C.  
Crittig (Dearborn) G.  
Hill (Hazel Park) G.

The race for the all-sports trophy is narrowing down; due to eight straight basketball victories Port Huron is way out in front with 20 points, Birmingham and Hazel Park have 18 points each. Ferndale has 12, and Mt. Clemens is last with two points. To catch Port Huron a team would almost have to make a clean sweep of both baseball and track.

## Weather Is Too Cold To Start Tennis Play

That the weather is too cold as yet to begin spring tennis practice was the decision of the Birmingham returners last Thursday in their first called meeting of the '46 season.

Leland Goodrich, tennis coach, says a schedule has not yet been set up, but the Maples will compete against Ferndale, Mt. Clemens, and Port Huron, with arrangements being made to meet other schools.

About 20 boys are expected to report for practice, among them being three returning lettermen, Bob Daeschner, Dick Adams, and John Bones.

## High School Band Going to Ypsilanti For Annual Contest

Last week's annual concert by the Baldwin High School band is still drawing unusually pleasant comments from the large audience of music lovers, parents and friends of the band members.

Every number appears to have been thoroughly enjoyed and the work of the young folks under the direction of Arnold A. Bernati, is still receiving high praise.

Apparently much enjoyed by the crowd were three numbers from Tschakowsky's "Nutscher Suite." The band presented "Danse des Mirillons," "Danse de la Feudragnie," and "Danse Russe Tschak." Among the special numbers was Rubinstein's "Valse Staccato," arranged for a flute quartet by Elmer Fetherston of Highland Park, who was in the audience for the evening's program. Music lovers classed this as one of the finest bits of flute quartet work they had heard in a long time. In the quartet, were Nancy Pierce, Dick Robertson, Lois Biogier, and Marian Adams.

Nancy Pierce had for her flute solo number "Sixieme Solo De Concert," by Demersacq, and Burton-Branson, played as his tuba solo number, "From the Shores of the Mighty Pacific," by Clark. Their work brought much merited praise.

The concert was the annual one sponsored by parents of band members and funds go for the general expenses of the band.
