

"Daddy's never coming home, Darling!"

Yes, I know he promised, but that was a promise he couldn't keep, darling! Remember how he told you to be a brave girl if he couldn't come home? Daddy would want to be proud of you, you know...so be brave for his sake, because he can never come home, now.

SO MANY small sons and daughters will have only shadowy memories of their Daddys... so many young mothers must face the future alone... a future they're so ill-prepared to cope with.

Children have a way of needing so many things... clothes and food... school supplies and new shoes. And somehow one just never knows where the money goes.

Think of all the problems that arise in everyday living. It takes a steadfast heart and an unflinching courage to meet them all alone... and at times even the strongest courage wavers. Where can she turn when the going gets too rough? Who will give her a spark of hope when it seems as if she can't go on?

While she is making her adjustment, the Red Cross stands ready to be of service... to help her face the future. It is a friend in need... a neighbor who will understand, provide guidance and help over the lonely road ahead.

There are so many people in the world who need help — your help through the Red Cross. Your contribution makes it possible for the Red Cross to do all it does. Give to the Red Cross today.

MUST CARRY ON**
