

# Our Home was lost\_

## But the Red Cross gave it back!

"It's SOMETHING we'll never forget... the heavy rains... the darkness and cold... the river rising so rapidly we had to leave our home.

"We lost everything in that flood... the house and furniture... our clothes, everything. When you're faced with that, you're desperate. We knew no one to turn to... We had no money, nothing. Then—the Red Cross came to help us.

"They took over completely.

"Clothes... food... shelter... money... they provided everything until they could arrange to have our home rebuilt. And when the baby was sick, they found a good doctor to care for her.

"I guess there's hardly any way the Red Cross doesn't help

in emergencies... no problem too big for it to solve... nothing too small."

That's right, there's nothing too big for the Red Cross... no calamity too widespread... no picture too black. Its symbol means food to the hungry... shelter for the homeless... a friend to the friendless.

You are the Red Cross. It is because of you that this agency of mercy is able to mean so many things to all men... to do all it does. It is because of your contribution that the Red Cross is able to help those in need. When disasters strike... when great tragedies or epidemics come... the Red Cross is there by the side of everyone who needs it. Your gift keeps it there.

Keep Your Red Cross at Their Side.

YOUR Red Cross MUST CARRY ON... **GIVE!**
