## Three Memorial Flowering Crab Trees Are Placed

In memory of Baldwin's gold star boys three flowering crab apple trees were presented in last Friday's Arbor Day assembly. One of the trees was a gift of Mrs. Charles W. Mintling in honor of her son, Lawrence, who was killed in the Pacific theatre. At the request of Mrs. Mintling, a letter, written by her son, was read in which he stated his love of trees when he saw them in Hawaii and they reminded him of Birmingham. This prompted her presentation of the tree.

The donor of the other trees which were presented in memory of all Baldwin's gold star boys wished to remain anonymous. The donor of the other trees which were presented in memory of all Baldwin's gold star boys wished to remain anonymous.

He weakened in the 11th, allowing two runs on two hits, but Ryan relieved him and set the next six batters down in order to insure victory. Big Beaver gets back into the league games Thursday at Log Cabin.

Defeat Auburn Heights. Big Beaver defeats Auburn Heights to take undefeated first place in the Twin County Baseball Conference. It was the effective combination of Lyle Robertson's pitching and the timely hitting by his teammates that brought in the deciding runs and victory.

Robertson was touched for only 3 hits and striking out 11 men while Kelly of Auburn was nipped for 4 hits and striking out 4 Beaver men.

It also took some outstanding defensive play to keep Big Beaver in the ball game, cutting off potential runs.
