Pierce School Will Give Benefit For Injured Custodian

The Pierce School Glee Club and other groups will present a benefit program Monday evening, May 27th, at 8 o'clock for Wesley Staebler, custodian who was seriously injured in an accident, recently, while on duty at the school.

Mr. Staebler will be hospitalized for considerable time. These children have presented similar programs for the mothers at afternoon sessions and parent-teacher meetings but in each case few fathers have been able to attend, and it is felt that this will give them an opportunity to see their children in action.

Miss Elizabeth Götzel, director of music for the elementary schools in Birmingham, has trained the Glee Club this year and a real treat is said to be in store for all who attend. Folk dances will be presented.

This entertainment is not for parents or children in Pierce School alone and those in charge hope that many from all sections of the city will support this venture which the children are so proud to present.
