Sports Showup

By BUD GASSER
With the State Track Meet coming up this Saturday at East Lansing much of interest is centered around Class B competition with ten Birmingham High School qualifiers. Crumbrack with three qualifiers is a threat for the Class D title. The Maples' ten boys represent one of Birmingham's highest traditions, a good showing in the State Finals. This year's meet will be out for just a little more than usual, because it is their showing in this meet that will determine the winner of the Bucky Zoellin Memorial Trophy. This trophy, in memory of one of Birmingham's finest track athletes, has a chart set up with a certain number of points for different heights, and distances. The boy compiling the most points will be the State Finals champion. Birmingham qualified two shot putters, three high jumpers, a pole vaulter, a broad jumper, a 440 man, a 100 yard runner, a mile, and a high hurdler. This outstanding meet will bring together the best competition in the state and should be of real interest. The events start at ten in the morning.

Long Hits Give Game to Ferndale

By PETER LITTLE
Though Ferndale made only six hits off Richard Bryce three of them were for extra bases and these proved to be Barnum's downfall as they were defeated 6 to 2 by Lincoln High of Ferndale. Two of these hits were triples and the other was a double.
Runs by Ferndale were scored in the third and fifth innings. They also pushed two runs across in the seventh on a triple, a single, a walk and an infield out. Barnum's two runs came in the fifth inning.
Bryce struck out eight men and walked three. This is Barnum's second loss as against three victories.

Birmingham Drops Game to Ferndale After Good Start

Birmingham was submerged 7-3 by Ferndale, Friday afternoon, when the Lincoln boys overcame the Maples' two run lead in the fifth inning with a six run rally. The game was at Ferndale.
The Maples came through with their only tallies in the fourth inning. Ron Kordenbrock walked and stole second, Leon Thurston smashed a hit into center field, driving in the Maples' third baseman, and took second on the throw home. Thurston scored when Ferndale's second sacker threw the ball away, allowing Dan Grize to take two bases. Dick Daeschner grounded to pitcher Bob Heiser who fumbled the ball, letting Grize cross home plate.
Bob Heiser, hurling for Lincoln, allowed the Maples only two hits while the opposition chalked up five.
Dick Blauman started on the mound for Birmingham and Deane Cramer took over in the fifth session.

Playing a strong brand of tennis all season, Birmingham's tennis team has piled up a record of four wins and three losses. Dick Adams, Maple ace-netter, has shown a constantly steady brand of tennis that ranks him one of the top netters in this section. The others have been more or less spotty, but it is a cinch Birmingham can be proud of their showing.

Coch Clifford Lutes' Reserve baseball team is showing a brilliant brand of baseball which should prove its worth in another season. Sophomore John Lurkins, Maple outfielder, is leading the team with an amazing batting average of .400. Hank Price, Mugs Rouse, and Bill Robertson have also shown much promise. At Monroy, Chester Myron, and Jack Moses have turned in good jobs. The team record stands at three wins, one loss, and a tie.

Running into a bit of hard luck the Maple baseball team has gone down in two straight defeats. Errors and fluky hits have led the way to other team rallies, and usually just one bad inning is all that is needed to lose. Friday the Maples will meet Hazel Park and the following Tuesday, Fort Huron. These are both league contests and will be excellent games to see.

7000 Tons Of Coal—Diet For A Day

Only enough for one day's electricity for the 3 1/2 million people we serve...
Pictured above is one normal day's diet for the giant furnaces of the Detroit Edison Company. We're using less than 7000 tons now, thanks to your help in conserving electricity. But our coal reserve is low. It may be two or three weeks before enough coal reaches us to permit unrestricted use of electricity.
You will be notified as soon as the emergency is over. Meanwhile it's urgent that ALL citizens in Southeastern Michigan continue to observe brown-out measures.
