Sports Showup

By BUD GASSER

Placing fourth in the State Meet last week, Birmingham's crack team will be out to take the Cranbrook Relays. Sponsored by Cranbrook School, the relays contain medleys, some field events, and a few races. They will play host to the top teams in this section of the state competing in what looks to be an outstanding contest. This Birmingham team has competed in the Relays and they will be out to take honors as well as individual honors. Many local fans have not been able to see the thrills in action, and this is a good opportunity. Remember next Saturday, both morning and afternoon, Cranbrook School on Lons Pine road. The preliminaries will be in the morning with the finals in the afternoon.

The Birmingham baseball team ran into a little bad luck last week, being washed out on both games. The Maples had built up a 4-0 lead over Hazel Park before the rains came to postpone the contest. With just this week left for baseball, "old man weather" plays an important part. Next Friday-afternoon the Maple diamond men will close this season at Royal Oak, a non-league game. Dick Blumman and John Anderson will probably be the Birmingham battery, with Gordon Krause or Dick Burke on the mound for the Acorns and Norm Rockwell behind the plate. Let's all be out to help the Maples bring down the curtain on a successful season.

The standings and race for the all-sports trophy of the Eastern Michigan League are what is termed "all tied up in a knot, tighter than ever." It seeses two teams, Ferndale and Birmingham, are fighting it out. Ferndale has 28 points and the Maples 25, with each having three baseball games left. Although the three points seem pretty substantial there are many "ifs and ands" that enter into the picture. At any rate this race has surely been a thrilling one.

It is interesting to note that Birmingham's second place track squad compiled just one less point in the Regionals this season than they did the season before when they won it. It is also interesting that Ypsi, first in the '46 Regionals with 6 1/2 points, made only a single point at the State Meet while fourth-place Birmingham made 17 1/2.
