DROWSY people finally realized what we have been fighting Ten years and threw out the Hitler disciples who deceived them. We are pleased because we used our Godgiven intelligence and exhibited courage.
However, Republicans are as crooked and cowardly. Your own kind will betray you as do foreign enemies. It is the American way.
We believe all politicians are crooked and cowardly until proven otherwise. With abundant and close contact with State and Federal parasites we have found only Two with manhood to make rapid, honest decisions.
Enlightenment brings calm, peace, joy and freedom from fear.

Holy Name Holds 'Open House' Monday

Monday and Tuesday at Holy Name School saw many parents of the parish attending classes with their kindergarten children to watch teachers in action.

It was a part of the National Education Week observance sponsored by the PTA. Parents were divided into two groups so they could really see what their children do in school.

Friday evening, Nov. 15, will be given over to the parents for open house, according to Mrs. Richard Roach, president of the Holy Name PTA. Teachers will hold classes from 7 to 8:30 p. m. with parents of children from the third to the eighth grades in attendance. Strict observance of all school rules will be followed. Parents are asked to register Friday evening at the Harmon street entrance for an hour and a half of "dear old golden rule days."

Due to illness of several members of the teaching staff, the first and second grades will have their open house later in November.

Christ Church Vesper Program Announced

This coming Sunday afternoon, Nov. 17, at 4:30, the seventh in the series of vesper services will be held at Christ Church Cranbrook.

The program will consist of a presentation of the Russian Orthodox service of "Great Vespers" by the choir of the Cathedral of St. Peter and St. Paul in Detroit. The choir will be under the direction of the Reverend Deacon N. F. Sanin two of whose compositions will be sung. The soloist will be Mrs. A. J. Sanin.

This will be an unusual treat for all those who have never before witnessed any of the great services of the Russian Orthodox Church. Immediately preceding the service Miss Nelly Beveridge will give a fifteen-minute carillon recital.

Lack of Religious Education Cited By Detroit Pastor

The Rev. David W. Witte, director of weekday religious education, Detroit, addressed the regular monthly meeting of the Woman's Union of the First Baptist Church last Thursday, on the topic "Thy Will Through Me in our Schools."

In his address, he stressed the need for release instruction time in the schools, urging that all communities take this matter to heart and set upon the work of gaining real release time as part of the student's program rather than that which is tacked on at the end of the day.

The meeting of the Woman's Union began with its White Cross work at 10 a.m., interrupted at noon with the usual half hour of prayer and meditation, which was led by Mrs. John I. Burkett, chairman of the department of spiritual life.

Program Included Play

Hostesses for the luncheon were Mrs. Edwin Minks, Mrs. Virgil L. Lockrow, Mrs. Maude Shaw, Mrs. H. E. Reid, Mrs. John I. Burket, Mrs. Earle H. Cunningham, Mrs. W. S. McAlpine, Mrs. Raymond H Peck, Mrs. Peter M. MacKay, Mrs. Stewart Smith and Mrs. M. G. Hillman.

The afternoon program also included a play, presented by Mrs. Edgar H. Streton, and entitled, "The Letter." It was designed to demonstrate the White Cross work of the women's missionary societies and for the appreciation of the recipients on mission fields at home and abroad.

He listed three reasons why release time for religious education is important to every community. First, he said, because it will help combat spiritual illiteracy.

"A report from the Methodist Board of Education," he stated, "indicates that less than fifty per cent of children in the United States are receiving religious instruction in our country. Education is incomplete without training in religious faith."

Needs This Training

Secondly, he stated, release time for training in religious faith is necessary because it will help to provide for every child the basic right to spiritual and moral training.

"To provide for more release instruction time without violating the principle of the separation of church from state," formed the basis for the latter part of the speech. In this connection he said, "Our forefathers, in writing the state constitution did not forget this principle. Article eleven in Section I reads: 'Religion, morality and knowledge being necessary to good government and the happiness of mankind, schools and the means of education shall forever be encouraged.' "

VCY Meeting Sunday At Baptist Church

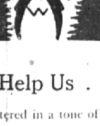
Ed Darling, regional director for Youth of Christ International and director of Voice of Christian Youth, will be guest speaker at the Young People's meeting in the First Baptist Church Sunday, Nov. 17, at 6:30 p. m. Ray Ivory, noted song leader, will have charge of the music.

The Baptist church has extended an invitation to all young people in the community to hear this Voice of Christian Youth gospel team.

Mary Lou Hufman will be the guest pianist, and The Voice of Christian Youth's own trumpet trio will present some of their special arrangements.

Turns Left Into Auto

When Will J. Squire, 17404 Parkside, Detroit, turned from the outside Hunter lane into Oakland street, he hit a car driven by Fred A. Remick, 905 Lexington, Royal Oak, which was also turning left into Oakland from the inside lane. The accident occurred Friday.



"Will You Help Us . . .?"

That statement, uttered in a tone of surprise, indicates to us quite frequently that many buyers of printing aren't used to getting the kind of service we give here at the Eccentric.

Of course we'll help you. We don't expect every customer to have his copy or layout perfect and ready for the shop. Part of our job is to counsel and help prepare the piece. Maybe some printers don't show this interest—but we do and our customers appreciate it!
