Button Tea To Be At Ormond Home

Tomorrow afternoon between 2:30 and 4:30 p. m. the John K. Ormond home on Woodward avenue will be the scene of the button tea which will be given by the daughter, Mrs. Brenda P. Quilter, are having to honor Mrs. Arthur T. Hugg, former president of the club, who will display her button collection.

Hugg is director of the Detroit branch of the American Friends Service Committee and has long been a member of the workshop operated by the Committee through the sale of her buttons.

About five years ago Mrs. Hugg felt her to an old button box with a large number of buttons, many rare and beautiful. Discovering the value of old and unusual buttons and the interest of dealers and collectors in buttons, she decided that buttons could help finance the workshop.

The best buttons are mounted for display and sale, the choice of unusual ones are turned into earrings and neckties. The buttons are used on the garments, which the workshop makes or renovates for the poor.

At the tea on Friday, the buttons will be displayed, and Mrs. Hugg will sell something of the American Friends Service work.

Mrs. Paul Penfield and Mrs. Louis T. Ollshemer are assisting Mrs. Ormond and Mrs. Quilter.

Any interested persons are invited to the tea.
