BLOOMFIELD FARM
80 ACRES
4 MILES FROM BIRMINGHAM

HOUSE, barn, box stalls, dandy cow stable. Water in house and barns. House can be remodeled very easily and be a fine home. You could not build the barn for $20,000, in the best building district. Will make a wonderful estate for horse lovers. You can sell part of this property for enough to pay for it as soon as building restrictions are lifted. This is a real buy and you have the joy of living in the best section of the Bloomfield Hills. Possession can be given in thirty days.

In practice what I preach. What this country needs is more people to get back to the land. I bought just such a place and I am enjoying the planning and work of remodeling. It is creative work, putting us back to the soil where we belong.

This farm can be bought for $300.00 per acre and I will sell you the day that it will sell for $1,000.00 an acre. Come and see my place, 1393 Beach Harvard—one half mile east of Adams Road and 1 mile south you over to see this property. Pontiac 1-0141 or Madison 5721.
