

Baraum Pupils Elect Officers For Coming Year

Barnum homerooms have been organized for the present semester. The homeroom is a group of students of the same grade meeting together at 8:30 every morning for ten minutes and at 12:31 every noon. In addition to being an administrative device for attendance and announcements, the homeroom elects its officers and carries out fine activities. These activities include homeroom elections, parties, assembly planning, dramatics and participation in all-school activities as planned by their representatives in the Student Council.

Maple Reserves Win From Pontiac, 7-0, In See-Saw Contest

By Bill Shallberg
With good blocking, speedy footwork, and a quick interception, the Maple reserves won their first home game against Pontiac, 7-0. Early in the first quarter, after a see-sawing 10 or 12 downs, Colin Campbell intercepted a pass. With the help of some hard, efficient down-field blocking, he ran 46 yards for a touchdown and then connected for the extra point by crashing the line, making the score 7-0.

Opening the second half, Burns of Pontiac worked the ball down the field, but the Chiefs were unable to penetrate territory beyond Birmingham's 25-yard line.

Late in the game, speedy Maple halfback Jack Goodwin raced from his own 26-yard line in a series of end runs. However, the game ended with no further scoring.

High Prices Hurt Us Too!

A price-rise is just as bad for Kroger as it is for you. Because we have to sell tons — and tons — and tons — of merchandise every day. If you cut down your buying, we suffer.

That's why Kroger prices are the last to go up and the first to come down. It's why the Kroger Store is your best defense against the high cost of living.

Kroger hates high prices, too!
