Big Beaver Pupils
Reorganize School
Safety Patrols

The Beaver school has reorganized its safety patrol this year and now includes five service squads taken from the 4th, 5th, 6th and 7th grades. The teachers of the four grades make up the safety committee of the school and will help formulate rules and plans for an efficient safety program for the coming year.

To aid the patrol with their work, the committee will send a monthly bulletin to all rooms in the school that special emphasis be placed on some phase of traffic safety education each month and that the pupils be further made safety minded by coordinating the safety program whenever possible.

There will be a meeting of all squads of the patrol the last Tuesday of each month at which time they will be an election of patrol officers and plans for patrol activities will be taken up.

Dear Pat:

Oh happy day! No school Thursday and Friday. A nice long weekend and what do most of us do with all that leisure time but sleep until 10 a. m. T. ch.

The middle room class is being divided into groups. Each group will make puppets and put on a show. They will make puppets of Hamlet and Gretel, Kumpstintin and other fairy story characters. These stories will be dramatized by the groups for the rest of the students.

Lee Hanson, Normy Wilson and Harry Soale of the Boy Scout troop here took advantage of the offer to usher at the Michigan-Indiana game. They were rewarded with passes to the game and claim it was well worth the effort.

Quite a few children attended the Sunday school class that started at the school last Sunday. The Lutheran Redeemer Church of Birmingham is sponsoring it.

As always,
 Barb.

Girls From Vaughan,
Baldwin Stage Two
Field Hockey Games

Field hockey enthusiasts of Baldwin were hostesses after school Tuesday to two Vaughan teams on the field at Hill School.

Vaughan's first team met the Birmingham seniors and its second team played the local juniors. Both games were refereed by Miss Alice Roulet, of Birmingham and Mrs. Evelyn Verzuh of Vaughan.

After the games, refreshments were served in the school cafeteria. Assisting Pat Mullin, food chairman, were Martha Moody, Helen Babcock, Ellen Van Wagener, Loris Burton and Jeanne Lange.

The field was recently reconditioned and relined by a group of girls under Miss Roulet's supervision.

The average family has \$640 in savings bonds, \$550 in savings accounts, \$350 on demand deposit and \$210 in other kinds of government bonds.

This is the House that YOU built

When there was only one Kroger Store, it attracted a lot of customers because it gave high quality at low prices. Soon it took two Kroger Stores to take care of the Kroger shoppers.

Now there are nearly 1700 Kroger Stores. But the only reason why there are so many Kroger Stores is that you—and 10,000,000 other American women like you—have found that a Kroger Store is the best place to buy.

We didn't make Kroger grow. You did.
