WALNUT LAKE SCHOOL NEWSLETTER

Dear Pam:
Election of new class officers for the next six weeks went right along with six weeks' tests. Bruce Wallace is our new president; Kirk Lewis, vice-president; and Jack Wallace is secretary.

We have what we call a "book fund" in the upper room. Most everyone during the month shakes their piggy banks and contributes to the fund. The books purchased will be given to the school in memory of the good old classes of '47, '48, and '49.

Maple, Fordson Reserves Play To Drizzly 6-6 Tie

By Gerry Hughes
Old man weather held the upper hand over the Birmingham Fordson reserves game as the rain-soaked gridirers battled to a 6-6 tie.

In the first quarter both teams seemed well-matched with neither making noticeable progress.

A pass intercepted by Jack Goodwin in the second quarter gave the Maples their first real score.

Jack Pomeroy drove through to Fordson's one-yard line and a touchdown seemed inevitable; however, Fordson's forward wall held and they gained possession of the ball on their one-yard line.

Gerry Brown, Fordson's back, scampered to the 20-yard line for a first down, bringing the ball to safe territory as the first half ended.

As the slow drizzle became a downpour, the locals drove again to the shadow of Fordson's goal.

On a pass from Pomeroy, Jack Zinsler to the end zone for the game's first tally. Missing the completion, the Maples led, 6-0.

Using a similar play, Fordson brought the now very wet ball to Birmingham's five-yard line.

Brown passed to Angelobello to tie the game at six-all.

The fourth quarter found both teams trying to out-pass each other; but due to the heavy rain, completion passes were few and far between. The well-played game ended at 6-6 as the drenched gridirers left the field.

Cross Country Team Is Easy Winner Over Cranbrook Harriers
By Dave Ballentine
Capturing the first three places, as it has done consistently all season, the undefeated Birmingham cross country team, chalked up another victory over Cranbrook for the comfortable score of 17-43.

Coming in first with a time of 11:32 was Joe Fister, while Rodney Smith and Jim Anderson were a few paces behind. Joe Brough of Cranbrook took fourth place with Bill Hickman and Pete Albrecht of Birmingham finishing in fifth and sixth places. For Cranbrook, McDaniel took seventh, Murrain eighth, Grimes eleventh, and Jackson twelfth to complete the scoring.

The Magles go to the State meet at Ypsilanti Saturday and finish their season against Grand Blanc October 31 there.

BALDWIN HIGHLIGHTS

Hiya, Kids!
Well, how are we doing? We're right back in there winning again!

Those kids with all the pep, the cheerleaders, Joe Fluff, Lee Hargan, Sila Daeschner, Gretta Sease, Helma Janet Roosevelt, Jack Neill and Bob Doyle, were doing a super swell job of getting everybody to come on and really yell this time.

Many of Baldwin's alumni, among them Chuck Hood, Bob Daeschner, Beane Cramer, Bud Gasser, Bob Erwin and Chuck Van Floteren, were seen trying to catch the game, cheer, and keep warm at the same time.

Annie buzzed right back to the Ranch Room after the game and found many happy kids discussing Birmingham's victory.

This didn't seem to curb anyone's appetite and the usual gang, including Lloyd Appel, Jim Bunkel, Bill Shalberg, Vic Hadley, Perry Hotchkiss, and John Martin crowded around the soda fountain.

More of Baldwin's alumni seen at a table in a corner talking over the game's first tally. Missing the completion, the Maples led, 6-0.

Using a similar play, Fordson brought the now very wet ball to Birmingham's five-yard line.

Brown passed to Angelobello to tie the game at six-all.

The fourth quarter found both teams trying to out-pass each other; but due to the heavy rain, completion passes were few and far between. The well-played game ended at 6-6 as the drenched gridirers left the field.

Vaughan Wins 2 More Field Hockey Games
Two victories were credited to Vaughan field hockey teams last week when their first team battled to a 6-0 win over Birmingham's seniors and the Hills' second team emerged victorious with a score of 2-1 over the local juniors.

The GAA's future plans include more hockey games with Vaughan and Kingswood. The season will be climaxed with a hockey banquet November 26.

Both Cox and George Pope were there, too, heckled by Tom Mills, Jim Carson, Jack Chrilton, and John Chandler.

Well, Kiddies, that's about all for now, but without a game next Friday night, Annie'll be seeing ya around town and in the movies.

"Bye for now, Annie."

Barnum Completely Dazzles Hazel Park Last Week and Romps to 25-0 Victory

By Bill Shalberg
The fast-moving grid machine of Barnum romped to its third straight victory by swamping Hazel Park Wednesday night, 25-0, on the local field.

The first quarter saw Barnum make a sustained march to Hazel Park's goal line by a series of end sweeps largely due to the speed and power of fullback Paul Spurlock and halfbacks Joe Ross and Eugene Hammond.

On a skirt around end, Ross hit pay dirt in less than two minutes after the opening whistle. The kick for point was good but was canceled on a penalty and Barnum led 6-0.

After receiving the kick, Hazel Park managed to make two first downs because of the repeated offensive plunger of their hard-charging fullback Joe Pflaffe. Barnum's forward wall stiffened and the Vikings were stymied on Barnum's 42-yard line.

On a sensational 50-yard runback of a punt by Joe Ross, Barnum took the ball and was again headed for a tally as the second quarter began and Hammond picked up yardage to Hazel Park's 11-yard line.

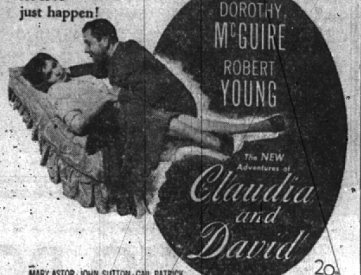

On the next play, Hammond again charged, bulged, and played through for Barnum's second score. Using a drop kick, Chuck Olin booted a perfect conversion and the score was 12-0.

Barnum scored again minutes later when a Hazel Park kick was blocked by Paul Hoffman of Barnum. Then the sparkling quarterback Jack Adams tossed a pass to

It's not that we don't love our work!

WE DO LOVE our work—but these days, we almost dread leaving home and going to our showroom.

So many people want new Packards, and there are so few coming through!

But you can't build cars without materials! The factory is straining every effort to get more parts and material so production can be increased.

We're doing our best!

Some cars have been shipped with wooden bumpers, some without window regulator handles. This costs the factory a lot of money, for it means that replacements must be shipped and installed later.

Under such difficulties, it's a wonder the folks at the factory have done as well as they have. This year, compared to the same period of 1941, Packard has built a higher percentage of cars than the industry as a whole.

We don't dare predict! Our customers have been so patient that we'd like to sound some optimistic note.

But word from Detroit says that parts and materials are still scarce. Steel continues to be limited. Shortages of lead, copper and other materials are looming up.

Scrap iron has been so scarce that Packard started the ball rolling on a nation-wide collection drive!

Take care of your present car!

Until you're sure of getting a new one, give your present car the best of care...

Lots of cars are running better and lasting longer because our trained mechanics have serviced them right. Give us a chance to catch those little troubles before they grow up into big ones.

Bring your car in any time. We're short on new cars, but we're long on helpful, car-saving service.
