## Barnum 7th Graders Enjoy Mixer Party

Seventh grade students of Barnum Junior High School assembled in the Barnum Gym last Friday afternoon during the sixth period and enjoyed a mixer party to get better acquainted.

Jack Adams, 9A student and president of the Student Council, extended a welcome to all. Group games were played with all homerooms represented as teams. The games included relays of a novelty spelling bee.

The games were directed by Miss Verna Hanke and Mr. Fred Gibson. The spelling bee was directed by Marcia Loomis, a 9B student and the winner of the Detroit News Spelling Bee last spring.

A grand march was directed by Miss W. Robinson, Barnum principal. Miss MacMichael's homeroom was declared the winner and were presented with tickets to the Berkley-Barnum football game for November 11th.

The council members of each homeroom served their group ice cream sticks before the students returned to their last hour classes.
