

Vote Next Tuesday!

When you go to the polls next Tuesday you will vote for the candidates of your choice...

Proposal No. 2, commonly referred to as the Sales Tax Diversion, may look good on the surface to those communities and schools...

As we see it, there are two chief objections to this Amendment. One is that the device of resorting to State Constitutional Amendment procedure on matters of variable facts...

The other objection we raise is that this Amendment places an absolute minimum floor on the subject of school grant aid...

We admit, vigorously, that many communities and the public schools in many districts do need additional funds...

Sigler has promised to lend the aid of his office, if he is elected, to correct this inequity through Legislative procedure.

On those Birmingham proposals, one is granted the City the right to acquire areas for public parking space.

parking space is just as necessary as highways, if one is to use an automobile to travel about in Birmingham...

The other is to make it necessary for petitions of candidates running for City offices to file them with the City Clerk five weeks instead of three, before election.

FINALLY, WE MAY SUGGEST THAT YOU DO NOT FORGET THAT NEXT TUESDAY, NOV. 5, IS THE DAY WHEN YOU ARE PRIVILEGED TO CAST YOUR BALLOT!
