WALNUT LAKE SCHOOL NEWSLETTER

Dear Pam:

Patty Kemp was certainly surprised with the birthday party given her at Barb Wilson's home Friday night. Normy Wilson, Ronnie Paer, Jack Wallace, Dick Nyberg and your own Barb were there shouting "surprise" and "happy birthday."

The Girls' Club held their first meeting Wednesday, Oct. 23. An ideal club with but one officer, no dues and all activities to be done during the meeting. In other words, all fun. "Barb" was elected chairman. For the first six weeks we plan a personality course.

Mrs. Shepard has made a huge chart that is pasted on the bulletin board entitled, "Books We Have Read." Whenever we finish a book, we promptly make a small one with name and author printed on it and paste it opposite our names on the chart.

Mrs. Sawyer is teaching the girls' gym class dancing. At home we practice, saying, "Pardon me for stepping on your feet, seniors."

The Girl Scouts are to have a party Tuesday evening while the Browns enjoy their Thursday afternoon. Brownie mothers also applauded the program given by their daughters.

Your Hallow'en witch,
Barb.

Good On Defense

James W. Sprague

James W. Sprague, son of Mr. and Mrs. Charles Sprague, 4189 Fawcett road, Birmingham, Freshman halfback who has attracted attention for his defensive work in the three games in which he has seen action at Yankton College, Yankton, S. Dak.

Sprague being groomed for a steady berth at quarterback for the Greyhounds, has also shown ability as a ballcarrier. A graduate of Royal Oak high school, Jim won three letters in track and was captain his senior year.

Quarterbacks See Army-U of M Movie

A movie of the Army-Michigan football game, sponsored by Birmingham's Sideline Quarterbacks, was shown in Baldwin gym last week for all Quarterbacks, boys, and men faculty members.

Stanley G. Boynton, Quarterbacks president, briefly outlined this year's organization and some of their projects. He introduced Bob Morgart, of the University of Michigan alumni association, who showed the Army-Michigan football pictures.

The Quarterbacks are now making plans for "Dads' Night" to be held at the Birmingham-Highland Park football game November 8.

These include an introduction of the factors of Birmingham football players between halves while the band makes appropriate formations.

WITH the end of harvest, and winter's approach, clear-thinking farmers start planning for next spring. They are thinking in terms of expansion—of increased profits in 1947.

Most farmers will agree that the answer to the manpower shortage is increased use of electricity. But it's not always easy—on a budget—to know whether an electric brooder will prove a better investment than a feed grinder or a portable grain elevator.

He has the up-to-the-minute facts on every sort of electrical equipment—he can arrange practical demonstrations for you. More than that, your Edison man can give you accurate, impartial recommendations for planning your long-range electrification program. He has no equipment to sell... there's no charge for his services. He's simply available to help you—to put the latest Edison research and experience to work on your farm.

How many of these "WIRED HANDS" are working for you?
(The Edison man can advise you on each of these electrical time and labor savers, as applied to your own farm.)
