Beau Brummell of the Boulevards!

1947

You're practically that, of course, the minute you take over any new 1947 Buick. Never before has any automobile so completely won the country by its beauty — so clearly defined the shape of cars to come.

But really to take the stage and hold it — to cut a dashing figure in the smartest of smart company —

Mister, just picture yourself in this bold beauty here.

It is without question the most wanted version of America's most wanted car.

It's wanted for the freedom that's yours when its handy control swings back the top — and the sky becomes your roof and the birds your travel mates.

It's wanted for the lift and surge of its satiny

straight-eight Fireball power plant, master of every grade and hill, monarch of the farthest horizon.

It's wanted for bigness, and the deep comfort of low-set, cushiony seats — wanted for the floating ease of soft all-coil springing, and the sure-footed stride of a car that's big enough and brawny enough for its job.

It's wanted for styling that already has set the pattern for years to come — it's wanted for fun, for adventure, and for year-round, all-round full family use.

The demand for it? Great, of course. The supply? Mounting as fast as Buick's beaver-busy production staff can free up the supply of the fine materials that go into it.

So with patience, one can be yours. With patience, that is — and the foresight to get your order in now.

How to get your NEW BENDIX automatic Home Laundry

No doubt you'll want your new BENDIX soon. Most folks do. So come and see us quickly — and get the details done!

It's so easy to see what this washday wonder does — how it washes, rinses, spins, wrings, cleans and empties itself, and shuts off — all without lifting a finger. Then it's even more so when you come in noon — when you can't wait.

Because if you want your BENDIX quickly — and chances are you will — we'll be pleased if you are one of our "first-to-be-served!"

EXCLUSIVE FURNISH ACTION! Includes clothes, towels, bath linens, 49 pieces of white, set to go with — and see the fabric leader beautifully.

What you do: put in clothes, set a dial, and wash.

What the BENDIX does: fills itself, forming clothes clean, thoroughly so. Rinses them. Then clothes ready for the line or dryer — and empties itself, and shuts off — all automatically! The Bendix takes only 12 square feet of floor space — like perfectly in kitchen, bathroom, utility room or linen closet.
