Cancer Drive Well Under Way, Local Chairman Reports

Public school children in Birmingham will be presented with a program instructing them on the early cancer attacks, symptoms and the most modern methods of eradicating it if caught in time. This program, under the direction of Mrs. Hollis Halliday, chairman of the education committee of the society in Birmingham, will be presented with the assistance of Mrs. C. H. Maurice.

"The instruction of children is only part of the far-flung program the American Cancer Society is carrying on," said Mrs. Walter E. Powers, chairman of the cancer drive in the Birmingham-Bloomfield Hills area.

The 1947 Cancer Society drive started off in Birmingham last Friday with an open meeting at the Community House of all scheduled workers in the drive.

From where I sit ... by Joe Marsh

A Great Bunch —Those Ex-G.I.'s

Willie Wells and a bunch of the boys from our town went to Pound Ridge Saturday to a reunion of their old regiment.

There were about two hundred and fifty boys who came from miles around to a good old feast in Farmer Collins' barn. I expect they seemed a lot different to each other out of uniform. But they had a great time, spinning yarns, drinking beer, and talking over the old times in South Africa and Italy and the Aleutians.

I went over to cover the meeting for the *Clarion*, and one thing that sure impressed me was the good behavior of those boys—their preference for a moderate beverage like beer—their friendly spirit.

From where I sit, our ex-G.I.'s are making as good a showing in peacetime as they made during the war. And they're setting a mighty good example to the rest of us—in tolerance, and moderation, and good fellowship.
