Tubless tires have been developed and are undergoing tests. They combine safety features of puncture sealing inner tubes with improved riding qualities. It is claimed, with high brake resistance and ability to retain air pressure.

Muholland's are having a pre-season sale this week on women yard goods—20% off to all you lucky people who know how to wear your own clothes, or are fortunate enough to have an expert seamstress on call. There are plaids, checks, and plain colored materials galore that will make up into the latest fall fashions. Muholland's have all kinds of patterns, of course, and the notions you'll need to give your costume that final touch of perfection. If you're a newcomer in our village, Muholland's is located at 233 N. Woodward.

Housekeeping experts tell me that it's much easier to keep the house clean than you think. It's a simple matter each spring and fall. But just the same, I think most of us want to put the house in order before the fall season starts. One thing you can do right now, with no effort at all, is to send your fireplace fixtures to Brass Unlimited, Woodward Ave. at the 14-Mile Rd. to be cleaned, polished, burnished and lacquered—just like new. The reason I say it takes no effort—just call 4640 and Brass Unlimited will pick up your fixtures and return them to you.

As a special service to their many customers and friends, Stroup's Market, in the Wabash Building, has opened a Macchus bake shop, right in their store. This means when you call Stroup's (telephone 2800) to place your order for quality groceries and meats, you can order any of the delicious baked goods prepared in the immaculate Macchus bakers. Of course you know that Macchus pies, cakes, and breadstuffs have become justly famous in these parts, and it's now going to be a great convenience to be able to order them from Stroup's.

With meat prices soaring these days, there is still one way to purchase top quality meat at wholesale prices. F. & J. Food Market, Woodward Ave. at 14 Mile Rd. will process meats for you, in wholesale quantities, for your home freezer or your locker. Not long ago we purchased a whole spring lamb at F. & J. and since then have been enjoying tender lamb chops, steaks, and roasts. They seem to taste even better when you know the

price is reasonable, and it's such a comfortable feeling to have a frozen leg of lamb on hand, when you need it. For home delivery telephone 2468.

The old saw about "slaving away all day over a red hot stove" ceases to be any joke in weather like this, particularly when the whole family expects three (well, anyway two) squares a day. If you dislike cooking in hot weather the way I do, take the whole family to Mayans, Woodward Ave. at Oak, where you can enjoy delicious food in an atmosphere that is utterly charming. Or why not stop at Mayans any day for luncheon, as when you do that, and see the private dining rooms, I'm sure you'll agree it's the perfect place to entertain. For reservations, telephone 4910.

Whoops gals—talk about the answer to a maiden's prayer! It's the DeLong Portable Dishwasher that I found this week at Craig Appliances, Inc., 112 So. Woodward. Here is a dishwasher that is compact enough to go right in the sink and the powerful sprays, located at the top and bottom, swirl in opposite directions to clean your dishes in a jiffy. Just add a little soap at the top, turn on the hot water, and the job is done. Built of white enamel wear, the DeLong Dish Washer is easy to clean—see it at Craig's Appliances, Inc., today.

Hi ho—hi ho—it's off to school we go—and every little girl wants to look her very best on the first day of school. When I saw the Frayser-Kinsey dresses for muskets of 7 to 12 at Little Miss & Mom's Shop, 294 S. Woodward, it made me wish I had a few that age to get ready for school. There are corduroy jumpers in new soft colors that are simply yummy, and the tailored wool jersey dresses in grey, aqua and palomino are styled just like mother's favorite casual. Little Miss & Mom's has lots of cottons in stripes and plain chambrays and wool skirts your daughter will love.
