

SCHOOL IN BIRMINGHAM on SEPTEMBER 3rd OPENS

The secret of a running jump toward good grades and lots of learning during any new school year is known to every boy and girl. It's a matter of going back happily and eagerly. And to go back in that frame of mind our boys and girls must be properly clothed and properly equipped. Birmingham stores are headquarters for fitting out school children. Many years of experience has taught Birmingham merchants just what school children need when school starts
