8 Teams Entered in Church League

By John Parsons

The hardwood at Barnum will set the scene this year for the Church League basketball series, sponsored by the YMCA when actual play will start there January 7 with three games scheduled weekly.

Response has been received by Ed Kirbert, director of the Birmingham YMCA, from the following church organizations for places in the league: Embury Methodist, First Methodist, Franklin Community, Lathrup Community, Holy Name, First Presbyterian, St. James and De Molay.

De Molay is included because of its close connection with the church.

The eight-team league is composed largely of high school age boys of the various churches.

Winner of the inter-church league last year was the Embury quintet, one of the leaders again this year.

Birmingham YMCA also sponsors the City League, in which many ex-G.I.'s and alumni of Baldwin participate.

Yule Decorations Adorn School

"Silver and gold have I none; but such as I have give I thee" is the fitting motto of Baldwin this week in their campaign to gather food for Europe.

Students will carry a can of food in each hand to the annual Christmas assembly tomorrow and participate in carol singing, later arranging the cans under the Christmas tree.

The school's front entrance is decorated with lights and wreaths, and the main hall is adorned with a Christmas tree, while carols are played on the juke box.

Miss Lydia Habib's Spanish classes will tour the halls today and tomorrow singing carols in Spanish.

Students Signing Council Petitions as Race Draws Near

A typical scene at Baldwin this week is various campaign managers busily running around getting petitions signed as the semi-annual Student Congress elections draw near.

To qualify as a candidate, a student must have 100 signatures on his petition, at least a C average, and at least one semester service in congress with the exception of the presidential candidates who must have served two semesters.

George Allen, Tom Mills, and Bob Saffell have taken out petitions for president; Darrell Kelley,

Barnum Program Tonight at 8 P.M.

"The Bird's Christmas Carol," by Kate Douglas Wiggin, will be presented at eight o'clock tonight in the Barnum school auditorium.

Music for the program will be provided by the boys' and girls' glee clubs and selected students.

Teachers in charge of the program are Miss Lyla McCormick, dramatics; Victor Ulrich, music; M. H. Smiley, stage; and Miss Lillian Clawson, scenery.

Gerry Yates, and Larry Young for vice president; Phyllis Morse for secretary; and George Burdick for treasurer.

The campaign assembly will be on January 15 with voting the following day.

Parties Planned for Orphans

Three Christmas parties for orphan children will be given during the next week by the social clubs.

Sapphire Club is entertaining 25 orphans from the Sarah Fisher home at the Franklin nursery school next Monday. Bill Plant, as Santa Claus, will distribute gifts to every child and then refreshments will be served. Barbara Carrier is chairman of the party.

Black and White club has invited 25 boys from the Methodist home to a party in room 101 in the high school tomorrow afternoon. Bill Plant again will play Santa Claus and distribute gifts. The committee planning the party is James McCall, Gerry Hughes, and George Burdick.

The girls of Tiara club have planned a Christmas party for 20 orphans from the Sarah Fisher home next Sunday afternoon in a gift and a toy will be given to each orphan by Santa Claus. Kay McDonnell is chairman of the party.

Noon Hour Movies Being Presented

The noon hour committee of the Baldwin student congress has initiated a program of movies to be shown during the noon hour every Tuesday and Thursday.

The committee orders movies it considers interesting to students. Last week the two pictures shown, "How to Succeed in Business Without Really Trying" and "Weight Events," showing shotput, javelin, and discus performances, were from the University of Michigan.

Boys operating the projector are Bob Saffell and Fred Twilinger. On the committee are Jack Christian, Bob Gellatly, Gerry Yates, Dick Shalberg, Norm Goddard and Joe O'Donoghue.

Seniors' Skip Day Set for January 7

Skip day for the January '48 class has been set for January 7 and includes a program of interesting variety.

The group will start early that day by bus and will tour the Ford River Rouge plant and WWJ Studio, with reservations for dinner that night at Frames. After dinner the students will go to Olympia to see a hockey game between the Red Wings and the Rangers.

Skip day is a longstanding tradition for each graduating class and is made possible by the efforts of the Skip Day Committee, headed this year by Don Deegan, Lee consisting of Dick Groves, Daley, Alan Foote and Jackie Caryl.
