Consumers Power Plans \$40 Million ExpansionProgram

A 1948 construction and system accounting to \$40,681,600 has been approved by the board of directors of Cons. Karn, vice-president and general manager, announced to the company history. It is the largest one-year construction program in the company's history. It is the largest one-year construction program in the company's history. The construction program in the company's history since the territory served by the company has been increasing rapidly. Karn said. "Expansion of our electronic strained, from keeping pace. For several years, wartime restrictions prevented expansion. Since then constituction work has been slowed to conditions. That means that our construction program during 1948 and each of the next few years and seep of the conditions. That means total of \$11,899,200 in the construction program to invest a total of \$11,899,200 in the construction. The program includes 1948.
