**REVIEW**  
(Continued from Page 3, Part 2)  
according to an announcement made by Davis L. Brown, division manager for the Computers Power Company.  
Faye Anderson, stationed in Germany with the Red Cross, is telling of conditions there through a series of letters. She, in her current letter, gave a comparative

account of German and American production methods, and manner of living.  
Issue of July 24  
The estimated cost for the proposed Lincoln-Ford sewer interceptor is set at \$45,900. This is the largest sewer project the city has undertaken in several years, and is the only solution to the existing conditions in that area.  
Perry Byard and Ralph Elliott, after 45 holes of cruel golf, won the invitational championship match at the Birmingham Country Club. They defeated Art Olfs, Jr., of Oakland Hills, to become the first "resident" champions of the club.  
Don Nichols, 8, Robert Emde, 9, and William Stresen-Reuter, 8, painfully hurred when a 40-foot launch exploded on Torch Lake last Thursday. All three boys were hospitalized.

Cranbrook Summer Theatre will present "Cinderella" as their big performance of the season. Acting honors will be shared by Carol Camper of Pontiac and Suzanne Greene of Highland Park when the play opens on July 31 for a two-night run.  
Issue of July 31  
Dr. Glen H. Harris, pastor of the First Presbyterian Church, has been named delegate to the World Alliance of Churches meeting in Geneva, Switzerland, from August 11 to 18, 1948.  
James Ross Hallock, 7-year-old son of Mr. and Mrs. Roscoe Hallock, was drowned in Lake Huron.

A want ad, placed in the Eccentric, has brought to light a case of extreme animal cruelty. The need for an animal shelter and attendant was made apparent when a horse, supposedly being cared for in a reputable stable, was found to be sick and starving.  
City commissioners have sanctioned the expenditure of \$2,175 for the purchase of new radio equipment for the police department. The new equipment will enable local police to make the switch to the new FM wave length required by the FCC.  
Maryln Cook, 7, daughter of Mr. and Mrs. Gladston Cook, has returned home from vacation in the south, thrilled at having been a member of the cast of the latest Hayward-Hoffin film, "Tap Roots."

Three Birmingham persons reported feeling the slight "quake" which made itself noticed in various parts of the state Saturday evening. No serious damage was done here, although pictures and dishes did have a tendency to move of their own free will for a few moments.  
Registration for new high school students will begin on Aug. 15, according to an announcement made by Ross A. Wagner, principal of Baldwin High School.  
The Birmingham Lions Club will be hosts next week to more than 500 golfers for their annual state tournament which will be held at the Birmingham Country Club.  
A proposed training program for all city policemen was discussed at the city commission meeting Monday night. The program would encompass training in all forms of duties which a police officer might be called upon to perform.  
William A. MeVey of the University of Texas has been appointed to the sculpture faculty of Cranbrook Academy of Arts.

Issue of August 21  
City commissioners have won the battle against stallings by a

very simple process. Simply place a stake in the ground they frequent and the birds leave.  
George H. House is offering free target practice to local hunters. His house has become the abode of some squirrels, which chew things up, scare the family with their nightly rustlings, and run across the faces of those who are trying to sleep.  
A series of public hearings will be held before any further action is taken on the proposed parking plan, the city commissioners have announced. This will give all residents opportunity to carefully weigh the value of parking lots against the benefits offered by parking meters.  
Glenn Schoenthal, principal of Lathrup middle school, said that they expect a total enrollment of about 1,800 children by the opening school Sept. 8.  
Residents are warned against discarding war memorabilia until they know they are safe. In several recent cases live ammunition has been sent to the city dump with other rubbish and has created an extremely dangerous hazard.

Issue of August 7  
A Detroit pilot, Eugene Sallarelli, escaped serious injury Monday afternoon when the motor on his craft failed and he made a crash landing at the edge of Bowers East on East Maple avenue. Sallarelli and two other Army Reserve officers were flying in formation when his motor failed and he crashed.  
A want ad, placed in the Eccentric, has brought to light a case of extreme animal cruelty. The need for an animal shelter and attendant was made apparent when a horse, supposedly being cared for in a reputable stable, was found to be sick and starving.

Issue of August 28  
Milton F. Mallender, city commissioner, last week scored the City of Birmingham for its negligence in not maintaining a standard width for all streets within the city limits. He said he would continue to fight for this cause as long as he remained on the commission.  
The Lincoln interceptor sewer has been approved by both the city commission and residents of the area. When completed, this giant sewer will eliminate flooded basements, prevent the spread of disease, and reduce the amount of garbage to be dumped in the city.  
Birmingham women summed up their ideas on the new skirt length question with one terse statement last week. The general trend was by "wear whatever length they wanted, or, "If you don't like them long, shorten them!"  
Purchase of 10,000 gallons of asphalt to be used in repairing city streets was approved at the commission meeting Monday night.

Issue of September 4  
The Davis Cup tennis team from India staged an exhibition match against a Detroit tennis team at Kingswood Thursday. The Detroiters won the match, five games to four.  
The Community House will reopen Tuesday after being closed for the month of August. The Ruth Shain room has been redecorated and the equipment in the pool room has been refinished. The staff will again be headed by Mrs. Carlton H. Lacey.  
Police have published notice that arrests will be made in the case of home owners who persist in dumping rubbish in the streets, or burning leaves there.  
Firemen are being required by many new sections being laid. This is another step in the city's improvement program.  
Dr. John H. Springman, assistant superintendent of schools, has resigned his position here and will become superintendent of schools in Glenview, Ill., on Oct. 1. He has

Issue of September 11  
School principals have asked the cooperation of parents and children in keeping the family pet from following the youngsters to school. As many as 15 dogs have been seen around some schools, causing quite a bit of disturbance.  
George A. Smith, district governor of the Rotary Club, made his annual visit to the club at their regular meeting Monday noon. He brought the governor's message and outlined district plans for the coming year.  
A record breaking enrollment of 2,800 pupils has been made in the Birmingham schools, officials announced. This is 236 over last year's figure and will present a serious problem as classes and seating arrangements are worked out.  
Work has been started on the addition to be made to the Birmingham National Bank. The addition will be one story, of face brick, and will extend back to the alley off Hamilton avenue.  
Issue of September 18  
The carriage trade of Birmingham will be happier if the city's experimental buggy ramp proves successful. A ramp-like arrangement is to be tried out here to assist mothers in getting baby carriages over the curb, some of which are very high and difficult.  
Plans are being made for the World War II Memorial statue which will be placed in the Chapel cemetery, honoring those who died in the last war. The dedication of the 24-foot statue will be held next year.  
The Village Players are planning a gala program for their 25th anniversary year. The group this year will be headed by Arthur L. Brown, who has taken part in many productions and is the very successful "Take a Tip," produced in 1945.  
A newcomers' luncheon will be held in the Community House on Sept. 25. This is staged in order that women who have moved here recently, and those who wish to meet them, may have this opportunity to do so.

Issue of September 25  
Mrs. Cyril B. Lewis has been named to the Oakland County Board of Supervisors by the city commission. She was elected to fill the vacancy created by the resignation of W. Osborne, who has recently moved to Ferndale.  
The recent sudden cold snap turned out to be a blessing in the school heating system when 20 pupils of the Walnut Lake school were sent home because of the failure of the oil-heating unit. A boiler at the quarter school was found to be faulty, but was repaired without interrupting classes.  
Mrs. John S. Lambie, president of the Baldwin Public Library board, has announced the appointment of Miss Jeanne Lloyd of Pittsburgh as being librarian. Miss Lloyd will arrive in Birmingham to assume her duties about Oct. 1.  
Rev. James W. Wright, associate pastor of the First Methodist Church, has been named chairman of the local YMCA membership drive which opens Sept. 16 and extends through Oct. 15. He announced that extensive plans are being made for both junior and senior members this year.  
Philip Malone has been named organizer of Christ Church Cranbrook to succeed E. W. Hill. The latter resigned his position here to accept one as musical director at Bradford Junior College.  
Issue of October 2  
The opening gun sounded Tuesday for the 1947 community celebration of "Hallowe'en" when Charles A. Shain named the committees which will have charge of arrangements.

Milton F. Mallender, city commissioner, last week scored the City of Birmingham for its negligence in not maintaining a standard width for all streets within the city limits. He said he would continue to fight for this cause as long as he remained on the commission.  
The Lincoln interceptor sewer has been approved by both the city commission and residents of the area. When completed, this giant sewer will eliminate flooded basements, prevent the spread of disease, and reduce the amount of garbage to be dumped in the city.  
Birmingham women summed up their ideas on the new skirt length question with one terse statement last week. The general trend was by "wear whatever length they wanted, or, "If you don't like them long, shorten them!"  
Purchase of 10,000 gallons of asphalt to be used in repairing city streets was approved at the commission meeting Monday night.

The Davis Cup tennis team from India staged an exhibition match against a Detroit tennis team at Kingswood Thursday. The Detroiters won the match, five games to four.  
The Community House will reopen Tuesday after being closed for the month of August. The Ruth Shain room has been redecorated and the equipment in the pool room has been refinished. The staff will again be headed by Mrs. Carlton H. Lacey.  
Police have published notice that arrests will be made in the case of home owners who persist in dumping rubbish in the streets, or burning leaves there.  
Firemen are being required by many new sections being laid. This is another step in the city's improvement program.  
Dr. John H. Springman, assistant superintendent of schools, has resigned his position here and will become superintendent of schools in Glenview, Ill., on Oct. 1. He has

Issue of September 11  
School principals have asked the cooperation of parents and children in keeping the family pet from following the youngsters to school. As many as 15 dogs have been seen around some schools, causing quite a bit of disturbance.  
George A. Smith, district governor of the Rotary Club, made his annual visit to the club at their regular meeting Monday noon. He brought the governor's message and outlined district plans for the coming year.  
A record breaking enrollment of 2,800 pupils has been made in the Birmingham schools, officials announced. This is 236 over last year's figure and will present a serious problem as classes and seating arrangements are worked out.  
Work has been started on the addition to be made to the Birmingham National Bank. The addition will be one story, of face brick, and will extend back to the alley off Hamilton avenue.  
Issue of September 18  
The carriage trade of Birmingham will be happier if the city's experimental buggy ramp proves successful. A ramp-like arrangement is to be tried out here to assist mothers in getting baby carriages over the curb, some of which are very high and difficult.  
Plans are being made for the World War II Memorial statue which will be placed in the Chapel cemetery, honoring those who died in the last war. The dedication of the 24-foot statue will be held next year.  
The Village Players are planning a gala program for their 25th anniversary year. The group this year will be headed by Arthur L. Brown, who has taken part in many productions and is the very successful "Take a Tip," produced in 1945.  
A newcomers' luncheon will be held in the Community House on Sept. 25. This is staged in order that women who have moved here recently, and those who wish to meet them, may have this opportunity to do so.

Issue of September 25  
Mrs. Cyril B. Lewis has been named to the Oakland County Board of Supervisors by the city commission. She was elected to fill the vacancy created by the resignation of W. Osborne, who has recently moved to Ferndale.  
The recent sudden cold snap turned out to be a blessing in the school heating system when 20 pupils of the Walnut Lake school were sent home because of the failure of the oil-heating unit. A boiler at the quarter school was found to be faulty, but was repaired without interrupting classes.  
Mrs. John S. Lambie, president of the Baldwin Public Library board, has announced the appointment of Miss Jeanne Lloyd of Pittsburgh as being librarian. Miss Lloyd will arrive in Birmingham to assume her duties about Oct. 1.  
Rev. James W. Wright, associate pastor of the First Methodist Church, has been named chairman of the local YMCA membership drive which opens Sept. 16 and extends through Oct. 15. He announced that extensive plans are being made for both junior and senior members this year.  
Philip Malone has been named organizer of Christ Church Cranbrook to succeed E. W. Hill. The latter resigned his position here to accept one as musical director at Bradford Junior College.
