

Joseph Daudelin Becomes Corporal

WITH THE EIGHTH ARMY IN JIMMACH, JAPAN—Joseph Daudelin of Birmingham, who is serving with the 487th Parachute Field Artillery Battalion of the 11th Airborne Division, has been promoted to the rank of corporal. Cpl. Daudelin enlisted in the Army in September, 1946, and was sent to Fort Bliss, Texas, where he took his basic training. On arrival overseas in December, '46, he volunteered for parachute

duty and was sent to the Matsushima Army Airborne where he qualified as a parachutist. His parents, Mr. and Mrs. W. H. Daudelin, reside at 476 West Brown street.

The availability of a wide range of forms of Monel and other nickel alloys has not only expanded the markets for these, but has encouraged other producers to develop special alloys, many of which contain nickel. An example is stainless steel, which, at first a specialty, is now produced by many of the steel companies in large ton-

Construct Gigantic 7-Foot Snowman

Taking advantage of the season's first heavy snowfall last week Tuesday, Mrs. Pearl Matter of Pontiac puts the finishing touches on a huge 7-foot snowman while Raynale Kline, 735 Forest street, Birmingham, completes a pedestal for a cardboard Santa Claus.

MURRAY-GO-ROUND

By Bill Baldwin

Did you know Dept? When the dulcet melodies of Spain and the pulsating rhythms of Africa were blended in Cuba some four hundred years ago, the seeds of the dance we call the Rumba were sown. As years passed and Spanish cultures and African customs merged, the unique Cuban tradition of music and dance was evolved. Officially introduced into this country in 1930, when the now legendary "Peanut Vendor" was published, the Rumba has come in fifteen brief years to rival our own Fox Trot in public favor.

The pre-holiday benefit dance sponsored by the Arthur Murray Studio and the Birmingham Community House has as its Chairman Mr. and Mrs. C. Theron Van Dusen.

A few interesting notes about the dance were made public by Mrs. VanDusen at the Tuesday night dance class. The dance will

be held at the Birmingham Community House, Saturday, December 6, from nine until one. The music will be furnished by Max Gail and his orchestra.

During intermission a floor show will be presented by the Arthur Murray dancers, featuring Miss Eileen Whelan and Mr. Frank Martini. Proceeds from the dance will be donated to the Birmingham Community House.

Committee members include Mr. and Mrs. Jonathan Ball, Mr. and Mrs. Paul Penfield and Mr. and Mrs. George Flores. DONT'S FOR DANCING (Do you make these mistakes while dancing?) Don't apologize for your poor dancing. She'll still wish she had stayed home with a good book. Don't dance for the onlookers benefit. It's more considerate to please your partner.

Don't forget that an Arthur Murray Gift Certificate will make a glorious Christmas gift. Your gift of Arthur Murray lessons will open the way to a wonderland of new delight.

The local Arthur Murray Studio is pleased to announce that Mr. Frank Long has been secured as a member of its staff. Mr. Long formerly was associated with the Arthur Murray Studio in Detroit. During the war, Frank served

three years overseas with special service, entertaining troops in England, Ireland, France and Germany. (Advertisement)

"Most powerful" dry battery of its size, developed by a manufacturer, crams 300 volts into a 17-ounce powerhouse the size of two king-size cigarette packs. Chiefly useful in explosive detonations for demolition work on farm, building site, road, timber areas, etc.; in photo flash work, portable television transmitters, and in portable insulation testers.
