IT'S FOUNDER'S WEEK AT

LET US SHOW YOU HOW MUCH MORE YOUR FOOD DOLLAR BUYS AT A&P *Come! Share! Save!*

Starting today . . . it's Founder's Week at A&P. Founder's Week is our way of honoring the memory of A&P's founder whose common-sense business policy was simple and sound: "Only one quality—high . . . only one price—low." Fifty-two weeks a year we live up to the strict letter of this policy on every item of food we sell. One week a year we pay tribute to our founder who made that policy a fact. And the best tribute we know is the prices on this page. They prove how A&P keeps faith with you and the founder. All of the values listed here are outstandingly typical of A&P's everyday low prices. Be sure to visit your nearest A&P during Founder's Week. You will see how A&P helps stretch your precious food dollars.
