## Local Groups Contribute Seed Packets So Europeans May Plant New Gardens

In order that families in Poland, Finland and Lapland may plant gardens and reap their fruit during their next short summer months, committees all over the United States are hard at work urging Americans to send them packets of seeds through the American Friends Service Committee.

The Birmingham committee is under the chairmanship of Mrs. Philip H. Preitz of Wing Lake. Although the campaign is just under way, the Sunday schools of the Methodist and Presbyterian churches and the 23 groups of the Girl Scouts are already collecting funds for the seed packets and the members of the League of Women Voters have contributed for enough seeds for 35 gardens.

The American Friends Service Committee and a Philadelphia seed company cooperated in making the seeds available for the drive. The packets will provide a garden of 30 x 40 feet minimum size, and feed a family of five this coming summer and fall, and will leave many of the root vegetables left over for winter storage.

"The project," Mrs. Preitz said, "is particularly designed for school children for most of the distribution of the gardens will be through the country schools of Poland, Finland and Lapland, and each family garden will be supervised by the Quaker workers in those countries, through the planting, cultivating and harvesting, so that no seeds will be lost."

Working with Mrs. Preitz are Mrs. Paul L. Penfield, Mrs. L. D. Stauffer, Mrs. F. W. Sevin, Mrs. Blain Swartz and Mrs. Nicholas Hadjisky. They are urging residents to send as many gardens as possible through their local committee, as soon as possible, for the drive ends February 28.

### Police Arrest Eight Drivers During Week for Excessive Speed

Eight drivers were apprehended by Birmingham police for exceeding the speed limit since last Thursday, records indicate.

Lorenz Rinck, 5784 Inabter, was arrested last Thursday doing 45 miles an hour in a 30-mile zone, says Marion Ezmon, 530 Half-moon drive.

Friday, Andrian Dreyer, 27510 Crestwood, Franklin, was arrested for exceeding the 30-mile limit, and on February 15, Frank Truzuke, 28975 Thirteenth Mile, was apprehended going 45 miles an hour in a 30-mile zone.

William O'Foole, 12171 Monica, Detroit, and Clifford B. Young, 1507 Humphrey, were both arrested when driving 50 miles an hour in a 30-mile zone. Matthew C. Maierle, 403 Broadacre, Clawson, was picked up doing 40 miles an hour in a 25-mile zone, and Glover Bause, 521 Middlesex, Grosse Pointe Park, was apprehended for driving 60 miles an hour in a 45 zone.
