Reward Kidder for 45 Years' Service With Same Firm

At a special reception held at the home office of the company, Charles S. Kidder, superintendent of the purchasing department of the Standard Accident Insurance Company, Detroit, was honored on the occasion of his 45th anniversary with the company last week.

Kidder was congratulated by company officers and members of the company's Old-Timers Club. He was also the recipient of a large radio from his many friends in the organization.

Kidder, who is one of the Standard's oldest employees in point of service, started with the company in 1902 in the personal accident and health department. A little later he was put in charge of supplies.

Today he is superintendent of the Standard's purchasing department, a position in which he supervises the purchases of company supplies, as well as shipments of materials to the company's thousands of representatives in the field.

The Standard's purchasing and supply department is one of the largest of any insurance company, and includes a modern, up-to-date printing plant.

A member of the Detroit Purchasing Agents Association and the Graphic Arts Association of Michigan, Kidder is well known among printers and typographers throughout the country.

His hobby is archery and he has for many years been active in the activities of the Detroit Archers Club. He is also a member of the Mullet Lake Conservation Club, Oakland County Conservation Club, Michigan Bowman Hunters, Michigan Archery Association and the National Field Archers' Association.

Kidder lives with his wife at 275 East Brown Street. He has two daughters, Mrs. Howard Darbo who resides in Wheaton, Ill. and Mrs. Wm. De Bery of Chesterton, Ind. He has three grandchildren.

Two Local Clubs Contribute Toward Support of SCF

Funds for school supplies and lunches for needy children in the three countries adopted by the Save the Children Federation—Belgium, Holland and France—have already been donated by several Birmingham clubs.

Mrs. Rudolph Enoch, president of the Birmingham branch of the Save the Children Federation, says both individual and organizational contributions may be given to the SCF drive when it stages its annual finance drive March 15 to 21, under the direction of Mrs. Philip H. Pretz.

The drive will get under way at a luncheon to be given in honor of Dr. Howard Kerschner, SCF European director, who will give a complete report of the work of the Federation on Friday, Mar. 14, at the Community House. This will be a subscription luncheon open to all.

Carl Milles, Celebrated Crank Sculptor, Will Open His Home in May for a Tea

Carl Milles, celebrated Crank sculptor, will open his home in May for a tea in honor of his world-famous collection of sculptures as a personal contribution to Save the Children Federation. The work of which he has followed in his homeland, Sweden.

Detroit Executive Forum Will Hear Local Man Speak

Leslie C. Allman, of Hupp Cross, Birmingham, and vice-president of the Fruehauf Trailer Co., will speak tonight at 8 p.m. on "Personal Assets and Successful Selling" at Detroit's Masonic Temple. His talk is one of a series of eight in the Executive Forum, designed to get young businessmen in the metropolitan area a chance to hear and to talk to successful executives.

Her Secret
A widow who was the owner of a small shop in Aberdeen, or perhaps it was Glasgow, was usually escorted home by an admirer who carried the cash bag that contained the day's receipts. It was generally heavy.

"You must be doing well," said the man frequently.
"Oh, yes," the lady would reply, "it's a good bit business."

But she did not disclose the fact that besides the modern takings, the bag contained the counter weights.

The canny lover only discovered that fact after marriage.
