**Have You Met . . .**

Mr. and Mrs. Arthur Nurenberg and three young Nurenbergs. They moved here from Pontiac, and now live at 137 Catalpa drive. Mr. Nurenberg is with the Hoery Oil Service.

**Friends Mark 30th Anniversary with a Mock Wedding**

Friends of Mr. and Mrs. Herb Soule of Putnam drive, Walnut Lake, celebrated the Soule's 30th wedding anniversary with them at their home last Saturday. The men of the group entertained amused spectators with a mock wedding.

Acting the part of the blushing bride was Norman Yashaw, while Martin Wade played the part of the unwilling groom. "Father with the shotgun" was portrayed by Dick Mackay, and Kelley Sunstrom was maid-of-honor. Fred Hamilton as bridesmaid completed the cast, except for the flower girl, Don Harrison, who spread flowers before the wedding party.

Modern and square dancing followed the presentation. After refreshments, the group ended the evening with group singing.

**Craft Shop to Begin Classes**

Construction work on the Community House craft shop is progressing rapidly and classes are expected to begin within the next two weeks.

Due to interest expressed by the public ceramics and silver jewelry making, additional classes in these crafts have been organized and there are some vacancies for adults for afternoon and evening classes. A class for Barnum students in a variety of simple crafts has been scheduled, as well as one for the high school age groups. These classes will include instruction in textile painting, plaxiglas projects, leather craft, gimp braiding and weaving, shell jewelry making and glass etching.

Adults and youth interested in this work are requested to call the Community House for additional information and to register prior to the opening of the shop.

**Local Lions Told of State Airport Plans**

Wayne J. Sheldon of the Department of Aeronautics of the State of Michigan and the founder of the Michigan Air Tours, spoke to the Lions club at their meeting last week.

Sheldon told the club of the functions of the board and of the plans to further aviation in the state. He said that there are 210 landing fields operating in Michigan at present. These are constantly being improved and new ones are being established. The northern part of the state is scheduled for most of the new ones, he said.

**New Sewing Course to Begin March 11**

The Metropolitan Club Ladies Auxiliary will meet at the home of Mrs. Harold Coldren, 623 East Lincoln avenue, on Wednesday, March 5. Co-hostesses will be Mrs. Jerold Waldo, Mrs. Stanley Perrell, Mrs. Lester Collins and Mrs. Charles Frederick.

The annual Round Table meeting will be held at the Pontiac Hotel, on Saturday, March 1. Among those attending will be Patrick Tobin, Mrs. Sam Snell, Mrs. Harold Coldren, Mrs. Frederick Kemp and Mrs. Vernon Keener.

The Ruth Shain Class in International Relations will use as its discussion topic on Tuesday, March 1, "Famine in a World Once Plentiful." The work of the agricultural and food organizations under the United Nations will be discussed and a report will be given by Mrs. Harry Marble of Roebuck department with Mrs. S. D. Adams as chairman, are sponsoring the lecture which will be held at 2:15 p. m.

His talk is based on his belief that whether we are sane or insane is determined entirely on how we meet our frustrations. "To meet the problems of life," Dr. Yoder, "we have a personality made up of a heredity, a physical body, an intelligence quotient and our early environment, with proper development of the personality by parents and teachers and a firm belief in God, men and women develop mature personalities."

After receiving his Bachelor of Arts degree from Goshen College; Ind., Dr. Yoder graduated from Rush Medical College. He was on the staff of the Kalamazoo State Hospital for ten years, was at the Ypsilanti State Hospital for eight years, and has served in the capacity of medical superintendent for seven years there.

He is a member of the Michigan State Medical Society, Michigan Society of Neurology and Psychiatry, is a fellow in the American Psychiatric Association and is a diplomat on the American Board of Psychiatry and Neurology.

**Committees Named to Plan Annual Girl Scout Rally**

The Girl Scout annual rally, with a theme of "Hands Around the World" for this year, will be held at the Barnum School on March 21.

The committee planning the rally program is headed by Mrs. Frank B. Hardy, general chairman, and met last Wednesday to organize their members.

Mrs. C. H. Rice will handle the actual program, with Mrs. C. W. Moyer and Mrs. Maurice G. G. taking care of the music. Invitations will be taken care of by Mrs. John W. Shenefield, Juliette Low and Mrs. Margaret E. Rossman, while properties will be in the hands of Mrs. Nan Hallock and Mrs. F. W. Prince. Girls and Brownies will attend the rally with parents and friends.

**Poor Father!**

The head of the house was reading a newspaper article very carefully. When he had come to the end he remarked to his wife: "Do you know, dear, I think there's something in what this article says—that the cleverness of the father often proves a stumbling-block to the son."

His wife heaved a sigh of relief. "Well, thank goodness," she said, "our Bobby won't have anything to fall over!"

Manufacturer at 15

One of the nation's youngest employers is 15-year-old Jo Ann Durand, Denver, Colo., fish fly manufacturer. She got into the fish fly business several years ago, now has 14 women working for her. She was a spotlighted figure at recent National Association of Manufacturers convention in New York.

"20 Years of Satisfactory Service"

**What's smart for '47? BUICK!**

controls light as a ladyfinger; at wheels that curb heel-over on turns, and brakes both easy and sure. Fact is, in this trim Convertible or any of the eight other body types, Buick's the smartest buy as well as '47's smartest car. It's the place where dollar-sense meets with style-sense to produce America's most wanted automobile.

Such being so — why hesitate? A day lost now in placing an order can be a week lost later in taking delivery, so — get your order in now!

That grille's as fresh and fashion-worthy as a Paris label in a new bonnet. That long, clean, sweeping-all-the-way-through fender line is as much a "must" with the style-wise as white tie with tails. There's the sparkle of bright, fresh colors — the rich sheen of chrome — the sleek, slick, able look of an express-trailer, shined and polished for Regatta Day. But is this the only way in which Buick's smart? Not by a barrelful! Look at the engine room in that bonnet — that means torrents of Fireball power to put the lift of a lifetime in every mile. That bug-the-road look means steadiness always — and cushiony coil springs on all four wheels spell serene disregard of any road's rude jolts. Look at the width amidships that gives you lolling room both front and back — and at push-button controls that not only raise and lower the top, but move door windows up and down and the front seat back and forth. And look deeper. At engines so fine-made they keep their new-car liveliness seemingly forever. At stout metals and sturdy underpinning, at husky, curl-around bumpers,

**ONLY BUICK HAS ALL THESE STAR FEATURES**
