

Franklin Girl Is Engaged to Marry

Shirlee Jean Overmyer's engagement to Zigmund Joseph Indyka, son of Mrs. Helen Indyka of Detroit, has recently been announced by her parents, Mr. and Mrs. Otto Roger Overmyer, Jr., of Franklin Village.

A student in Michigan State college, Shirlee is a member of Alpha Xi Delta Sorority. Her fiancé attends Michigan State and is affiliated with the Porpoise Club. He served for four years in the U.S.A.C., spending two of these years in the ETO. June wedding plans are being made by the couple.

Adams PTA Group Outlines Future Social Activities

Coming events at Adams School list many activities on the calendar. The next committee of Club Pack B-8 will have a meeting for parents of all nine-year-olds who are interested in becoming Cubes. This meeting will be January 28 at 8 p. m. at the school.

The Adult education committee of the Adams Parent-Teacher Association, headed by Mrs. A. K. Toepfer, announces the "relaxation-rhythmics class" for the coming week is to be conducted by Mrs. Otto Enoch of Detroit, who is well known for her teaching in this community.

According to all reports, this is the class for the busy housewife and tired business girl. All women are urged to join and revive their own energy.

Registration is now open for the spring session of ten classes, held once a week on Wednesday evenings. Members of the present class, which terminates January 22, and any others who have not been participants up to this time may contact Mrs. Harold A. Wentworth concerning enrollment.

Plans are also being formulated by the adult education committee for children's ceramic and art classes to be conducted by Miss Gloria Carlson, art teacher.

Final details for these new classes will be announced next week.

Two "extra special" dates are on the calendar of coming events for the grown-ups.

First is the third of the famous square dances to be held Jan 25 at the Adams school with Mr. and Mrs. J. Stuart Cook as general chairman. These square dances are held the fourth Saturday of the month.

The "Adams Family Frolic" will be held February 14. A meeting of room mothers sponsoring this annual affair was held Thursday, January 9, to set the ground work.

Emil Johnson will act as general chairman. Chairman of the various booths and activities are being selected and will begin their preparations immediately. Details will be announced later.

According to Washington-in-the-knows, at least five aircraft factories are set to start assembly line production of aluminum houses any day now.

STATE OF MICHIGAN—The Probate Court for the County of Oakland. At a session of said Court, held at the Probate Office, in the City of Pontiac, in said County, on the 10th day of January, A.D., 1947:

Present: Hon. Arthur E. Moore, Judge of Probate.

Desire for More Speed on Huts Indicated by BVO

One hundred hours per week on the quonset huts for veterans' housing without charge, in order to expedite completion of the quonset huts for veterans' housing in Birmingham, the Birmingham Veterans Organization will offer to the city manager and through him to the building contractor, 100 man hours per week of work without charge.

Tell of Various Cases. One case described at the meeting was of a veteran and family which separated over a year following his discharge. This man has had to board out his two children over the entire wait for housing. Plans had been made for a Christmas reunion when the original completion schedule was announced for the quonsets, it was explained. Out-going president, Robt. D.

Acting after specific needy cases were described, the following reaso-

John F. Gordon, 544 Fairfax, is now a vice-president of the General Motors Corporation, as well as general manager of the Cadillac Motor Car Division.

His elevation to a vice-presidency in the corporation was announced last week at a New York board of directors meeting.

Gordon, who has been with Cadillac since obtaining his Master of Science degree at the University of Michigan in 1925, was graduated from the United States Military Academy in 1922.

His first position there was as a laboratory technician, becoming foreman of the lab in 1929, and motor design engineer in 1933. Called upon for a dual operation in 1940, Gordon kept his post at Cadillac and at the same time worked with a study group designing the Allison-Aircraft engine.

He continued this split operation until 1943 when more of his time was spent at Cadillac working on tank production. In June of that year he was appointed chief engineer of Cadillac and was made general manager in June of 1946.
