"The Golden Rule (1 John 1:12) is
"This is the record that God hath given
in to us, and this life is in His Son."
Among the Bible citations in this pas-
sage, (John 17:3) "And this is life eter-
nal, that they know thee the only true
God, and Jesus Christ, whom thou
hast sent."
Correlative passages to be read from
the Christian Science textbook, "Science
and Health with Key to the Scriptures,"
by Mary Baker Eddy, include the fol-
lowing: Ch. 22:1; "Jesus taught the way
of Life by demonstration, that we may
understand how this divine Principle
heals the sick, casts out error, and tri-
umphant over death."

Expect Completion of Craft Shop by First of February

Construction work on the Community House Craft Shop has been started with the hope that the work will be completed by the first of February. It has been announced.

Classes in silver jewelry making and ceramics are now being organized so that the first meetings may coincide with the completion of the shop.

It is to be equipped with sturdy work benches, fluorescent lights, storage space and tools for the above crafts.

Mrs. Thelma Anderson of the Cass technical high school facility will teach an advanced silver class Wednesday mornings and a beginner's class Wednesday afternoons as the plans now stand. Mrs. Carl Lutz will teach a class from Thursday evenings and one for Barnum and Baldwin students Saturday mornings.

Plan Ceramics Classes
For the planned ceramics classes, John Foster will teach advanced group Wednesday evenings, and there will be other advanced classes in the afternoon and evening for beginners or advanced students, as well as a Sat-

Peacemaker

Leon Blum, 74, Socialist leader of the prewar Popular Front government, is now Premier of France's crisis regime—the only man the warring factions could agree upon. Blum, a Jew, was a concentration camp prisoner under the Nazi occupation, and a defendant at the Nuremberg trials. He is considered an intellectual rather than a politician.
