Increased Costs Puts City \$9,000 Over Its **Budget Estimate**

The City of Bir

The-City of Birmingham reflects over-expenditure of \$9,000 for first half of the fiscal year ding December 31, 1946, City mager D. C. Eghert informed y Commissioners Monday night. This over-expenditure is disouted over most of the departnts and generally reflects the reased costs of material and la-

Strictly Fresh

ABOR leaders partly blame high prices for the current storm of back pay suits. Any old portal in a storm, they argue.

It's difficult to may who is right, the National Association of Manufacturers or the CIO, on whether wages can be raised with the price hikes. But one white the price hikes the control of the price hikes the price hikes

LOST: Ker, hair and kere. If four activities the control of the co

the best government is that which is closest to the people and their peocle-thooks.

Governer Dewey says that the New York Conference of Mayors when the conference precommended, in a recent report, that the financial needs of the cities and villages to the cities and villages to the conference precommended, in a recent report, that the financial needs of the cities and villages to the conference product of the substantial taxes in addition to the real estate tax. The time is long past when there is any large requiring additional taxing lowers or revenue to appeal to the state. That the financial solution of local governments should be found in their own taxing powers or revenue to appeal to the state. That the financial solution of local governments should be found in their own taxing powers or revenue to appeal to the state. The financial solution of local governments should be found in their own taxing powers or revenue to appeal to the state of the s

It is the open and arowed policy of Governor Dewey that state funds should be accumulated for postwar construction and that such during the should be postposed during the should be accumulated for prosperity. Here is his recommendation: "It should be a cardinal principle of governmental fiscal principle of governmental fiscal principle of governmental fiscal principle of governmental fiscal to be undertaken at the peak of the beautiful from the should be a south not to be undertaken at the peak of

atrongest financial position in insistory. Our job is to keep it strong:

the above quotations it is seen to be a six on the above quotations it is seen obvious that Governo Develop has been confronted with presty much the same demands for state funds as was Governor Harry E. Kelly in 1943, 1944, 1945 and ey was governor of New York. It is also apparent that Dewey, like Kelly, would have opposed vigorously any additional diversion of several control of the commend to the legislature. If the was faced, as is Governous and the commend to the legislature. If the was faced, as is Governous to the commend to the legislature. If the was faced, as is Governous to the commend to the legislature. If the was faced, as is Governous to the commend to the legislature. If the state treasury at the end off the coming fiscal year, Guch is the forecast made last week to the commend of the commend of the commend to the commend of the commen
