Maple Reserves Win Over East Detroit Seconds, 34-28

By Hugh Quinn

Paced by Jimmy Anderson with 12 points, the Birmingham reserve basketball team opened its season Friday night with a 34-28 wip over East Detroit's reserves in the local gym.

The Maples jumped to an early lead and led at the end of the half, 19-15.

The second half saw the two teams matching practically basket for basket until East Detroit pared the Maples' lead to one point.

But in the final seconds, fine quick points by Anderson and Bob Folin put the victory on ice for the locals.

TEAMWORK

Whether a finished job of printing is satisfactory depends upon the coordinated supervision it receives from the time it comes into a plant and leaves that plant.

Here at The Eccentric is a "set-up" that assures satisfactory results. Each job is carefully pre-planned before it gets into the shop. Supervision is closely maintained to provide adherence to original planning. The final job isn't just an accident—either good or bad. It just *has* to be right because of the methods which characterize our operation.
